

# TRADE AT HOME AND BUILD UP YOUR TOWN

Do YOUR part in building a great City of Campbellton, and the growth of the Bay Chaleur County, by patronizing Campbellton and Bay Chaleur Merchants and Factories. Every dollar you spend in Campbellton and Restigouche county circulates and leaves a profit in every hand that holds it. Money sent away from here rarely returns—when you send it away you are deliberately sapping the life and strength of your community. To patronize home industries is a duty every citizen owes to himself and those he loves.

The command to Halt has back of it the power of the army. In hundreds of communities in this country today a HALT has been called on the man or woman who thievingly or unthinkingly robs the community by refusing to patronize HOME interests. What's needed today are MORE sentries, more men and woman to call a halt on such thoughtlessness. Our community is asked to take a definite stand on this question. Let each man appoint himself a sentry to see that the community life is preserved. Other communities have fallen in line. They have hoisted the Home Trade flag. WE must fall in LINE or fall BEHIND. Forward, March.
