THE OPENING EVENT OF THE SEASON. DEPARTURE.

Exchanges of Real Estate and Sales by Auction.

G. A. SCHRAM, Manager,

NO. 4 KING STREET EAST, - - - TORONTO.

On account of the large number of enquiries at Our Office for exchanges of Real Estate, we have decided to open an Exchange to be commenced soon after January 1.

Our object in this is to lacilitate the exchange of properties in Ontario, Manitoba, the Northwest or elsewhere. We have at present a large list and hope by this method to bring parties having property to exchange face to face, and in a moment offers can be made and conditionally or unconditionally accepted.

Brief and accurate descriptions of property for exchange will be required, together with a statement of their incumbrance, if any. A record of all offers made will be kept for

Immediately following the exchange will be held a Public Auction Sale at which we will offer properties placed in our hands for private sale, as well as properties left with us

to be sold at auction. The owners of property will kindly give us CONFIDENTIALLY their lowest price and most liberal terms and satisfaction will be guaranteed in case of sales being made.

We are confident that by combining these two methods with our present business we shall be able to greatly facilitate the disposal of property.

We would also state that our Office is open at all times during the day. A large list of properties to exchange can be examined as well as a number of bargains in property for sale. We will gladly give any information in regard to our new departure in establishing the Real Estate Exchange and conducting Auction Sales.

As the success of our undertaking will depend upon the patronage given it by Real Estate owners and capitalists we respectfully solicit a full attendance at the outset.

Look for further advertisements before the day of opening.
