### INE TORONTOS BEAT THE PRIM-ROSES OF HAMILTON.

Program of the Canadian Athletic Cham. pionship Meeting—The Last Day at Saratoga—Opening of Coney Island Fall Meeting.

The baseball match on Saturday between the Torontos and Primroses was in striking contrast to that on the previous day be-tween the home club and the Clippers. beginning to end there was not a sign of a kick. Fred. Goldsmith, the umpire, gave his decisions clearly, firmly and imparti-ally. As a result there was not so much as a murmur. If all umpires would act in the same business-like fashion, and act in the same business-like fashion, and

act in the same business-like fashion, and give their decisions so that everybody could hear them, instead of mumbling to the plate, there would be infinitely less dissatisfaction. A consequence of the order that prevailed on Saturday was that the fifteen hundred people in attendance went away satisfied, having enjoyed a

good'match. Owing to the shortening days a start was made at 3.30, instead of 4, and by 5 c'olock the audience was wending its way homeward. The Primroses were run of the match. Barnfather flied to let and quit. Owens was given bases on balls and s. ole second. Morrison went out on a feel to extern. 119210000-14

Jones was given first on balls and the bases being full, Owens journeyed to the plate. Miller ventured too far from third and Warner throwing to Donald to cut him off he was forged to you how and was caucht. That throwing to Donald to out him on he was forced to run home and was caught. That ended the run getting for the Primroses, they being dismissed with rapid despatch ahe remaining part of the game. In their whird the Toroutos added one, thanks to a muff of a fly in left field, which enabled the trainer to get to second and

The lacrosse match on Saturday afte, noon between the St. Paul and Toront clubs was but slimly attended. The teams were as follows : in their eighth they added a single. The Hamilton Spectator wonders how much of the money taken in at the gate in the Toronto-Clipper match Friday last will freeze to manager Spence's fingers. About so much as there is decency in the very poor condition. With one exception the St. Paul team is composed of Canadians. Seven of them are Toronto boys, namely-Warwick, W. Hughes, J. Hughes, Sherwood, Costello, McKee and Captain Orr. The team is nearly and the magazement of J. E. making of such a mean remark and that none, Manager Stroud talked fluently about traveling under the management of J. F. Smith in a special hotel car, which left North Toronto for the west on Saturday night. The club has held the American lacrosse association championship cup for two years, and have helped greatly to boom the game in the Northwestern States.

The English Cricketers Arrive,

Manager Stroud talked fluently about getting the Torontos shut out of the league, Mr. Stroud possibly owns the Clippers and has a lien upon Hamilton umpires, but he doesn't quite run the league and if Mr. Stroud doesn't know which way his bread is buttered he can bet the managers of the other clubs do. But everybody knows the money is as safe, and 'possibly safer, than in Mr. Stroud's hands. The Clippers will get their share just as soon as the judiciary committee of the league decide upon their conduct.
