

DECKER BROS.' PIANOS!

A TRUISM.

A Decker Piano never fails to prove a safe and profitable investment, based on its MATCHLESS MUSICAL CHARACTER and unrivalled durability. On this account it always commands a high price if re-sold, no matter how long it may have been in use. Of few Pianos can this be said. We cordially invite intending purchasers to an inspection of our large and elegant assortment of these noted instruments.

Mason & Hamlin Organs

IN CANADA.

In answer to the oft-repeated inquiry as to the Canadian Depot for these

World-Renowned Organs

We direct attention to our Toronto address as above. At the same time we solicit intending purchasers of Organs to correspond with us direct, when we shall be pleased to give them the very lowest quotations, FREE FROM AGENTS' COMMISSIONS, thus offsetting Customs duties.

TO THE LADIES OF TORONTO.

This is the season of the year when cold winds and wintry blasts compel you to wear the warmest of clothing. Canada's climate is such that unless you do so you imperil your health, undermine your strength and place at defiance one of the principal laws of nature, viz., to keep the body warm.

We are showing this season in our large Fur Show Rooms, northwest corner of King and Yonge streets, the finest stock of FUR GOODS that has ever been placed before the Ladies of Toronto.

We show fine Seal Mantles, Seal Ulsters, Seal Wraps, Seal Dolmans, all latest French and American patterns.

In Seal Capes our stock is large. Fur Wraps, Circulars, Muffs, Boas, Caps, Gauntlets, Trimmings, Robes, etc., are also an important feature in our business. We carry a large stock of all, and will dispose of it this season at largely reduced prices.
