A 5-CLUB LACROSSE LEAGUE.

CORNWALL AND SHAMROCK DELEGATES IN TORONTO.

Messrs. Lally and Polan Interview J. S. Garvin—A Visit to New Rosedale—C. I. A. Notes—There Will Be Racing at Monmouth Park—Jerry Donohue's Case—Baseball, Trap-Shooting, Lawn Tennis and General.

Cornwall and the Shamrocks have unbent. Saturday their delegates visited Toronto and craved J. S. Garvin's indulgence. They were Mr. Lally of the Factory Town and M. J. Polan of Montreal. The visit shows the trend of feeling in eastern lacrosse circles. Cornwall and the Shamrocks recognize that they are out in the cold. Their trip to Toronto shows their anxiety to cast their lots with Toronto, Ottawa and Montreal. The present probability is that patrons of our national game will this year revel in championship contests of a five club league.

The cold weather kept the usual large crowd away from the new lacrosse grounds yesterday afternoon. But a few of the more hardy ones, including a World reporter, found their way thither to see a classic level surface spread before the mammoth grand stand, that rises to the skies like an Egyptian pyramid. The Grant roller, weighing 2½ tons, will reach the field to-day and the new sods will be packed thoroughly. The oval will be fenced in this week. As the new ground nears completion the old one in Elm-avenue becomes demolished. The pretty field yesterday only boasted of a fence on the north side. The grand stand, from which thousands of spectators were wont to look and cheer on many a hard-fought match, is a thing of the past. Posts and lumber strew three sides. But the green turf is there. And this will soon be ravished by the cruel spade of the hungry builder, and there will then remain naught to mark the spot which was known as "beautiful Rosedale."

Everything is in readiness for the annual convention of the C.L.A., to be held in this city on Tuesday, the 19th inst., which gives promise of being unusually spirited and successful. New clubs are being organized each year, and thus the good effect of the C.L.A.'s work is evidenced. A large number of clubs are affiliating with the Association and this is nothing but right as the C.L.A. is admirably doing the service which was predicted when it was incepted and through financial assistance. Upon general grounds every club should lend a helping hand to still further advance the prosperity of lacrosse, which can in no other way be served than by a successful organization such as the Canadian Lacrosse Association.

New York defeated Wesleyan last Friday at baseball by 20 runs to 1. The Giants' hitting was terrific, they securing 24 singles with a total of 31 bases. Frost, the College pitcher, was evidently specially named for this match.

The big Oxford-Cambridge race is over. For the 26th time since its foundation the crew of the Oxford University Boat Club passed the winning line ahead of their opponents. Altogether 49 races have been rowed, one of which, that of 1877, terminated in a dead heat. Cambridge was a slight favorite in the betting, the odds being 11 to 10 on that crew. After the preliminary paddle, however, riverside men expressed decided opinions in favor of the Oxford crew. The oarsmen were especially favored Saturday and consequently the time made beat all former records. The tide was in the flood and with the aid of the current the 4 miles 440 yards from Putney to Mortlake were rowed in 19.21. The best previous record, 20.12, was made in 1882, also by Oxford. The result of the race was known here at 8 o'clock Saturday morning. The race was rowed about 1 p.m. A full and complete report of one column appeared in The Sunday World.

The Toronto Rowing Club have decided to abandon their quarters in Esplanade-street. Their boats, shells and all their aquatic paraphernalia will be taken to the Island about the middle of May. The club have secured the spacious Casino north of Hanlan's Hotel and there they will locate for the summer. If that quarter proves congenial to the members a boathouse will be erected across the bay and the Toronto Rowing Club will permanently establish itself on the Island.

To-day will notice the arrival of one of the big stables whose flyers will participate in the O.J.C races in May. Mr. Seagram's string of 15 thoroughbreds are expected this afternoon from Waterloo. A visit to Woodbine Park yesterday revealed a muddy track totally unfit for work. Indeed it looked as if the course would scarcely hold the runners before the first week in May.

His Honor Judge Elliot has given decision on a London election bet, the terms of which were put in writing as follows: "Feb. 19.—J. Cowan bets M. Douglas $50 that Hyman will be elected member for the city. Money in my hands. (Signed) John McMartin." The Judge decided that Douglas is entitled to recover the $50 from McMartin, whom he sued, but that each party must pay his own costs.

To Freeze Montreal Out.

MONTREAL, April 10.—A rumor spread last night that the Shamrocks and Cornwalls would endeavor to freeze Montreal out of the Eastern League, which would be composed of four clubs, including Toronto and Ottawa.

OXFORD-CAMBRIDGE.

Incidents of Races Between the Famous Crews—At Henley.

The Oxford-Cambridge race of 1846 was the first in which outriggers were used. That of 1857 was the first race in which either university rowed in the present style of eights without keel; also the first time either rowed with round oars. Both used the same kind of oars and boats. In 1870 both crews used sliding seats for the first time. The dead heat of 1877 would probably have been a victory for the Oxfords had not their bow man damaged his oar. In 1887 also Oxford broke an oar.

In addition to the above the universities have contended together five times at Henley Regatta, in the same heat, for the Grand Challenge Cup, and the following table shows the winners on those occasions:

Year.	*Date.*	*Winner.*	*Time.*	*Won by.*
1845.	June 7.	Cambridge	8m.8s.	2 lengths
1847.	June 17.	Oxford....	8m. 4s.	2 lengths
1851.	June 17.	Oxford....	7m.45s.	6 lengths
1853.	June 11.	Oxford....	8m. 3s.	1½ feet.
1855.	June 25.	Cambridge	8m.32s.	2½ lengths

In 1851 Cambridge lost a rowlock, soon after the starting. At the Thames National regatta, June 22, 1844, Oxford beat Cambridge.

Jerry Donohue Earns $8 a Day.

HAMILTON, April 10.—Major J.J. Stewart has been asked to plead Jerry Donohue's case before the executive of the Canadian Association of Amateur Oarsmen for reinstatement as an amateur. He never had the slightest idea of becoming a professional, as he has a trade that gives him an income of $8 a day, and his rowing is a pure pastime. If the executive reinstates Donohue it will never regret it. Hamilton sadly requires some encouragement in aquatics, says The Herald, and with Donohue's reinstatement the Nautilus Rowing Club will be revived and Hamilton will again be represented by national winners.

Lasker Takes First Prize.

LONDON, April 10.—The two last games of the London Masters' tournament were played on the same day at the British Chess Club, King-street, Covent Garden. Blackburne defeated Bird after 65 moves in a game opened by Bird, with P to KB 4, and Lasker and Mason drew a Four Knights' game, opened by the former, after 43 moves.

As will be seen from the appended table Lasker won the first prize, Blackburne the second and Mason comes third, while Gunsberg and Bird follow in the order named. The final score is as follows:

	Won.	*Lost.*
Lasker	6½	1½
Blackburne	6	2
Mason	4	4
Gunsberg	2½	5½
Bird	1	7

Clougher; first vice-president, Percy J. Horrocks; secretary and treasurer, W. T. Allan of Messrs. Allan & Baird, Canada Life building; auditors, Messrs. C. J. Catto and G. Douglas.

It was voted that the league shall consist of the following cities, provided each pay $300 for the honor before April 20: Lewiston, Portland, Me.; Manchester, N.H.; Haverhill, Lowell and Salem, Mass.; Woonsocket and Pawtucket, R.I.

Baseball Brevities.

In the Harvard team's first three games not a run was scored against it. Highlands took part in all three games and had a clean record so far as base hits are concerned.

Rochester has signed W. H. Watkins of Detroit as manager. Last season he looked after the Duluth and St. Paul teams in the Western Association and is highly spoken of.

The Binghamtons will have a uniform of seal brown shirts, trousers and stockings, white and brown cap and white belt. Across the bosom of the shirt will be the word "Bingo."

Trotting at Dufferin Park.

There will be racing at Dufferin Park this season after all. A club has been formed, which will be known as the Dufferin Park Company (Limited), of which Mr. J. S. Charles, who managed the track last year, is the secretary. The dates selected for the June meeting are the 22nd, 23rd and 24th, and for the August meeting the 22nd, 23rd and 24th, at both of which good purses are offered in the different classes.

Turf Topics.

A. H. Moore, the Philadelphia breeder, has broken the record by paying $178,200 for 11 trotters.

The winners at Gloucester Saturday were Gardiner, Lisbon Maid, Easter, A.O.H., Hawkeye, Vosburg.

Saturday the Woodbine Stable's Algeria dropped a beautiful filly by The Chicken. It is a chestnut and a perfect image of her year old full sister. They will make a great team for Mr. Duggan.

The master of the Imperial Stables of Russia is now in America and will visit Palo Alto Farm, where he is to get four daughters of Electioneer for the Czar's stables.

A St. Louis despatch says: Frank Shaw of St. Paul, Minn., has purchased the betting privileges at the fair grounds race track for the spring meeting for $100,000.

In the House of Commons steeplechase run at Rineton, Eng., Saturday, the heavyweight race was won by Walter Long's horse, the lightweight going to Francis Mildmay's stable. Captain Middleton, a well-known rider, was killed by being thrown from his horse.

AT THE TRAPS.

Toronto Gun Club Marksmen Breaking Artificial Birds.

The Toronto Gun Club held the first of a series of handicap shoots for a cup and several handsome prizes at Stark's grounds Saturday, resulting as follows:

At 20 artificial birds:

Joseph Saunders	20	Thomas Sawdon	20
William Bugg	18	C. Norris	18
G. Pears	17	J. Jones	17
C. Ayre	17	W. Dodge	17
B. Pearsall	16	W. McDowall	16
D. Bliss	14	F. Martin	13
T.S. Bayles	6		

Ties at 10 at 20 birds:

Joseph Saunders	10	Thomas Sawdon	9

Ties at 18 at 15 birds:

W. Bugg	13	C. Norris	12

Ties at 17 at 20 birds:

G. Pears	20	J. Jones	20
C. Ayre	18	W. Dodge	17

Ties at 17:

G. Pears	20	J. Jones	19

The features of the day were the remarkable shooting of Joseph Saunders, G. Pears and J. Jones. Mr. Saunders, although comparatively a tenderfoot, surprised everybody by his display of skill at the traps by killing his birds like a vet. He rattled off his 20 in the first heat with the greatest sang-froid, and kept up the pace in the tie, beating Mr. Sawdon by 1 bird and thereby securing first victory for the silver cup. In the 17's Mr. Pears and Mr. Jones had a great scrap for third place, it taking 4s birds each to decide the question, but this was seemingly Mr. Pears' day out, as he got there by 1 bird. The conditions under which this cup and prizes are given are that they be won three times before becoming anybody's property, and that they be shot for every alternate Saturday. Those members who were absent through the inclemency of the weather or otherwise will be allowed to double up at the next shoot, but no doubling up will be allowed afterwards.

McDowall's Shoots.

McDowall's sweepstakes and team shoot on Saturday resulted as follows:

Sweep No. 1—Bliss, jr., 10; Sawdon, jr., 10; Saunders 8, Brooks 8, Mack 8.
Sweep No. 2—Jones 9, Bliss 9, McDowall 8, Dodge 8, Sawdon 8, Saunders 5, Norris 5.
Sweep No. 3—Jones 9, Norris 7, Clima 7, McGill 6, McDowall 5.
Team shoot No. 1—Wilton 10, Jones 9, Norris 8, Martin 5. Total 32.
Team Shoot No. 1—McDowall 10, Bronco 7, Dodge 6, Saunders 5. Total 28.
Team shoot No. 2—Saunders 9, Dodge 9, McDowall 8, Broche 7. Total 33.
Team shoot No. 2—Norris 9, Wilton 9, Jones 8, Martin 4. Total 30.

The Champion Beaten.

LONG ISLAND CITY, April 10.—A 10-mile run between Nick Cox, trainer of the Star Athletic Club of this city, and Conrad Marks, champion of Staten Island, for $250 a side, took place on the Star Club grounds here yesterday afternoon in the presence of about 500 people. Cox won by half a lap in 55 minutes 28 4-5 seconds.

It is quite surprising what a number of handsome mantles and capes are used this season, and it so happens that this is a leading department in our business. We have capes in every imaginable style, and the only price that we need quote to convince you that this is the place to buy your mantles is the Scarboro cape, full three-quarter length, in a rich tweed, suitable for the spring season, price $2; it is really worth $5; there is no exaggeration about the value of this coat; you would value it at $5 yourself; don't miss getting one. We have received a few samples of spring ulsters, price $5, worth three times the amount. A very stylish all-wool tweed mantle for $2.50, it is really worth $5.

We have received a few samples of fine German made goods, such as a $19 mantle for $9.50, $20 mantle for $10, a $6.50 mantle for $1.50 and so on. These are all new styles and are well worth your attention. We carry a very large assortment of mantle cloths and trimmings. We have one of the ablest mantle-makers in this city, having experience of over 24 years in Berlin manufacturing mantles. When we have not got a mantle to fit you we make you one. We have 1000 pairs sample lace curtains: they are to be sold at half price; they are bargains if you want anything of that kind.
