GOOD WOMAN—BAD HEART.
When Could the Life of a Loved one be
More Uncertain Than When Attacked by
Heart Disease?—If you Have a Hint of It
Have Dr. Agnew's Cure for the Heart
Always at Hand, it is the Only Remedy
Which can Relieve you in 30 Minutes and
Cure you Permanently.

"This is to certify that my wife has
been a sufferer from heart disease for over
twenty years. After having tried doctors
and remedies innumerable without benefit
I procured two bottles of Dr. Agnew's Cure
for the heart, and she received more benefit
from it than from all the doctors and all the
cures used heretofore. I am pleased to
certify to the excellence of this wonderful
remedy.

A Point in Preserving Fruit.
A very good authority on fruit preserv-
ing considers that the plan followed by
many housekeepers, of using a small por-
tion of sugar, and in consequence boiling
the preserve longer, is a fallacy, as the
more sugar the greater the bulk of preserve
obtained, less being wasted in long boiling
and evaporation, while the flavor of the
fruit is more retained. A quick fire should
be used, and, of course, the preserve con-
tinually stirred, the scum being taken off
as it rises. To judge if the preserve has
boiled long enough drop a little into a glass
of cold water. If it does not spread or
mix, it is done enough. Or another way
is to drop a little on a plate. If it does
not run on the plate, it is sufficiently boiled,
and should at once be poured.

Thousands Celebrate
With thankfulness their restoration to
health by the use of Hood's Sarsaparilla.

Think of the vast army who have been
cured by this medicine—
Men, women and children, who have suf-
fered the consequences of impure blood,
who have been the victims of scrofula
sores, eruptions, dyspepsia, nervousness,
sleeplessness.

They have tried other medicines and have
failed to obtain relief. They tried Hood's
Sarsaparilla and it did them good. They
persevered in its use and it accomplished
permanent cures. Do you wonder that they
praise it and recommend it to you?

An old man living near Crampton was

Death in its Path.
Cadillac, Mich., June 30.—The worst
thunder storm of the season visited this
city yesterday morning about 2 o'clock, and
left death and destruction in its track.
Lightning struck the house of Fred Ope-
land, in Harristown, and in the fire re-
sulting Mrs. Baudoin and her little girl,
about 8 years old, was burned to death.

Mrs. Baudoin and her two children were
visiting with her sister, Mrs. Copeland, and
were sleeping upstairs in the house when
the fire broke out. The mother at once
tried to save her children, and succeeded in
getting out with the little boy, though he
was badly burned. She then returned to
save the girl but she never came back, as
they were caught by the flames and smoke,
and both perished. The little boy is so
badly burned that he will probably die.

Popular Hotel Man.
I was troubled with pimples on my face
and head which caused me much annoyance.
After trying many remedies without bene-
fit I was advised to take Hood's Sarsapar-
illa. The first bottle helped me and I took
four bottles. I am now completely cured."

James Reiley, proprietor Chapman House,
Sarnia, Ontario.

"Only nervous" is a sure indication that
the blood is not pure. Hood's Sarsaparilla
purifies the blood and cures nervousness.

A PREACHER'S STORY.
Like Other Moral he Fell Victim to Dis-
ease—Dr. Agnew's Catarrhal Powder was
the Agent Which Restored him to Health
and he Gladly Allows his Name to be
Used in Telling it That Others may be
benefited too.

Rev. Chas. E. Whitcombe, Rector of the
St. Matthew's Episcopal Church, and
Principal of the St. Matthew's Church
School, Hamilton, was a great sufferer
from Dr. Agnew's Catarrhal Powder cured him,
and he now proclaims to the world that as
a safe, simple and certain cure it has no
equal. It never fails to relieve catarrh in
ten minutes, and cures permanently.

A Level Sea Bottom.
The bottom of the Pacific between Ha-

ings with the view of laying a cable.

How Old are You?
It makes no difference
whether you answer or
not. It is always true that
"a woman is as old as she
looks." Nothing sets the seal of age upon a woman's
beauty so deeply, as gray hair. The hair loses its
color generally from lack of nutrition. If you nourish
the hair, the original color will come back. That is the
way that the normal color of the hair is restored by

Ayer's Hair Vigor.
