George D. Street, Esq. Agent, St. Andrews.  
Alexander Campbell, Esq. Agent, St. Stephens.

THIS SOCIETY is established on a mutual  
simplified system—the most approved in  
England; and founded on a basis so sound as to  
give the most effectual security to its members.

THE DESIGN OF THIS SOCIETY IS—  
First—To enable persons to become their own  
Landlords, and purchase Freehold or Leasehold  
Property, by advances made by the Society.  
(£300 positively advanced for £36 a year for sixteen  
and a half years, which sum pays both principal and  
interest. Other sums in proportion.)  
Secondly—To provide a safe and profitable Fund  
for SAVINGS, or INVESTMENTS for small or large  
sums of money. (This Society offers opportunities  
in this respect which no other Institution in this Pro-  
vince can do.)—Savings Banks only pay 5 per  
cent, whereas this Society pays 6 per cent Compound  
Interest.)

THE OTHER IMPORTANT ADVANTAGES ARE—  
1st—No money is lent but on security on Real  
Property.

2d—New Members are admitted up to the time  
the Society will end, with equal proportionate ad-  
vantages.

3d—Every Member may withdraw the amount of  
his Shares at any time after the first year, with  
the compound interest thereon. Shares may be  
transferred at any time.

4th—Members may invest their Money in PAID-  
UP SHARES which will necessarily be doubled.  
£100 at the commencement being worth £120 at the  
conclusion.

5th—Mortgages can be repaid at any time with  
proper notice.

6th—The Accounts and Bank Book are open for  
the inspection of members at every monthly meet-  
ing.

7th—Securities given by all Officers of Trust.  
The Board of Directors in St. John have the  
GENERAL MANAGEMENT of the Society—but for  
the purpose of accommodating persons resident in  
other parts of the Province, BRANCH OFFICES, or  
AGENCIES, are formed—where Shares can be ob-  
tained, and all the payments made, in the various  
districts; and Local Boards of Management will  
be established so soon as the number of Shares  
taken in any district render it advisable.

The Funds are procured from the Monthly Sub-  
scription of the Members, and also from Monies  
invested in Paid up Shares, which will always en-  
sure ample means for meeting the advances re-  
quired.

The Profits are certain, because the amount  
paid by the borrower, for an advance, must neces-  
sarily form the fund for paying the lender.

The EXPENSES of the Society are small, as the  
Officers act gratuitously, with the exception of the  
Secretary and Treasurer.

The FEES and FINEs form a Contingent Fund  
out of which the expenses are paid, and the bal-  
ance, which will be very considerable, will go  
into the general Fund, which will lessen the du-  
ration of the Society.

Every information, with copies of Propos-  
tus, Rules, &c. can be obtained on application at  
the Office of the Society, or at the Office of the  
Agents.

By order of the Board,  
CHARLES L. STREET,  
Secretary & Treasurer.

Prince William street, St. John, N. B.  
December 25, 1847.
