A well-known correspondent, writ-The United States extend over vast ing from St. John's, Newfoundland, to

by sectional jealousies, by party political antagonisms, and by bloody and protracted internecine war. There are however, notwithstanding its onward career in the past, ominous intimations that its future may be disturbed by social, as well as political elements, which may jeopardize the permanence of its civil institutions.

The sovereignty of its people is the foundationstone on which its government stands; and while the preponderance of general intelligence, morality and patriotism prevail there will no doubt be a continuance of peace and prosperity. Even now there is manifestly a process of moral deterioration going on among the people. The private and public virtues of the populace railway would go far to overcome the difficulty. The enthusiasm in favor of it here is daily increasing.
