From The Canada Educational Monthly, Toronto.—And just here comes in the contrast of the position of the Englishman with that of his kinsman on this side of the Atlantic. He has no "Webster;" no book of an all-satisfying requirement, no one reference work in which he will find all that he may be in quest of, no single quarry that will yield him every ore his demands require the inspection of—such as he may find in the mammoth "Unabridged Webster." Having regard to its issues, its thoroughness, its compactness, and its price, it is an amazing product of literary skill and mechanical workmanship.

There should not be a school in the Dominion, where access cannot readily and constantly be had to it. No teacher, and we might add, no reader of the language, can afford to be without it, for it is a monumental work, a noble tribute to our grand old mother-tongue.

From London Quarterly Review.—On the whole, as it stands, it is most respectable, and certainly the BEST PRACTICAL ENGLISH DICTIONARY EXTANT.

"A necessity to every educated man."—Lord Brougham.

"Every scholar knows its value."—W. H. Prescott, the Historian.

"The book has become indispensable to every student of the English language."—Dr. Wallis.

FEVER AND AGUE.

Are you troubled with Ague, Chills and Fever, Bilious Fever, Remittent or Intermitting Fever, Night Sweats or any disease that comes from Malaria or disordered Liver and Hot Suns? If so, procure a bottle of Green's Ague Conqueror, which is an acetic extract of strong tonic roots, combined with sulphate of Magnesia, etc., and positively contains no Quinine, Arsenic or other poisons. It purifies the blood, cleanses the liver, spleen and other secretive organs so effectually that the chills will not return. We have never found any case of Fever and Ague it will not cure. Price, 50 cents and \$1.00 per bottle. One large bottle has cured as many as five in one family. Sold by all druggists and dealers every where.
