ADVICE TO MOTHERS.—Mrs. Winslow's SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little clearest awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

A CURE FOR CHOLERA MORBUS.—A positive cure for this dangerous complaint, and for all acute or chronic forms of Bowel Complaint incidents to Summer and Fall, is found in Dr. Fowler's Extract of Wild Strawberry; to be procured from any druggist.

CHOLERA IS COMING!

The countries where Cholera prevails as in India, China and Africa, Pain-Killer is considered the surest and safest of all known remedies, and the natives place the most perfect reliance on it.

Read the following extract from the letter of a missionary in China

DEAR SIRS:—I ought to have acknowledged long ago the box of Pain-Killer you had the goodness to send me last year. Its coming was most providential. I believe hundreds of lives were saved, under God, by it. The Cholera appeared here soon after we received it. We resorted at once to the PAIN-KILLER, using as directed for Cholera. A list was kept of all those to whom the Pain-Killer was given, and our native assistants assured us that eight out of every ten to whom it was prescribed, recovered. Believe me, dear sirs, gratefully and faithfully yours, J. M. JOHNSON, Missionary to Swatow, China.

Beware of Counterfeits and Imitations. Ask for the genuine Perry Davis' Pain-Killer and take no other.
