IT LEADS ALL.

No other blood-purifying medicine is made, or has ever been prepared, which so completely meets the wants of physicians and the general public as

Ayer's Sarsaparilla.

It leads the list as a truly scientific preparation for all blood diseases. If there is a lurking taint of Scrofula about you, **SCROFULA** AYER'S SARSAPARILLA will dislodge it and expel it from your system.

For constitutional or scrofulous Catarrh, **CATARRH** AYER'S SARSAPARILLA is the number one remedy. It has cured numerous cases. It will stop the nauseous catarrhal discharges, and remove the sickening odor of the breath, which are indications of scrofulous origin.

ULCEROUS SORES "At the age of two years one of my children was terribly afflicted with ulcerous running sores on its face and neck. At the same time its eyes were swollen, much inflamed, and very sore. Physicians told us that a powerful alterative medicine must be employed. They united in recommending AYER'S SARSAPARILLA. A few doses produced a perceptible improvement, which, by an adherence to your directions, was continued to a complete and permanent cure. No evidence has since appeared of the existence of any scrofulous tendencies; and no treatment of any disorder was ever attended by more prompt or effectual results."
 Yours truly, B. F. JOHNSON.
 "Hutto, Tex., Sept. 2, 1882."

These among us who are suffering with Bronchitis, or weakness of the throat, should not delay, but take **Robinson's Phosphorized Emulsion** regularly, according to the advice of their Physician, or the directions on the bottle. Always ask for **Robinson's Phosphorized Emulsion**, and be sure you get it.

Scientific and Useful.

SOAK salt fish in sour milk.
USE beef suet in frying meats, etc.
SALT increases the heat in boiling potatoes.
COLD PINK.—Take cold chicken or turkey, chop fine; stew cranberries, sweeten to the taste, and squeeze the juice, while boiling, over the turkey or chicken. Mix up well, put in a . . . uld to form.

VEAL COLLARS.—Parboil some sweet-breads, then dry on a coarse towel; cut them in pieces the size of an oyster; rub a seasoning of salt and pepper over each piece, dip in egg and cracker dust, and fry like doughnuts.

BEEF BALL.—One round of steak, two slices of fresh bread, three eggs, salt. Wash the meat with the bread, as fine as possible; stir in the eggs with a little melted butter. Make into loaf; put into a dish with a little water in the bottom, and bake slowly one hour. Slice cold for supper. A little pork in it is good.

BAD Blood results from improper action of the Liver and Kidneys. Regulate these important organs by the use of that grand purifier **Burdock Blood Bitters.** The mother of Chas. L. Burdock, 41 Vance Block, Indianapolis, Ind., says she "finds Burdock Blood Bitters a very efficacious remedy for Liver Complaint."

GREEN PEA SOUP.—Shell half a peck of fresh green peas, wash pods and put them in soup kettle with plenty of cold water, boil until very tender, drain off the water and put the peas to boil in this water, boil three quarters of an hour, strain through a colander, and add the water they were boiled in, in which should not be more than a pint, add to this three pints of rich milk, let it boil and stir in a quarter of a pound of butter in which you have rubbed two tablespoons of flour. Add tablespoonful chopped parsley, season with salt and pepper.

STOMACH ACHIE.—We all know what it is; we acquired a perfect knowledge of the "Pet" in our youth, after a raid on the green apples we were expressly forbidden to touch. Our mother gave us Perry Davis' Pain-Killer then, and strange to say, no other remedy has been discovered to this day to equal it.

WHITE MOUNTAIN CAKE.—Take one cup of butter beaten to a cream, with two cups of sugar; and one cup of sweet milk, three cups of flour, with two teaspoonfuls of baking powder mixed with it and the well-beaten whites of five eggs. Flavour with lemon and put strawberry jelly between.

CONSTIPATION, Indigestion, Bilioussness, all depends on improper or irregular action of the Liver. Arouse the Liver to a healthy action by taking **Burdock Blood Bitters.**

Mrs. Joseph Johnson, Pittsburg, Pa., suffered for years from Dyspepsia—using Burdock Blood Bitters, which cured her. She says she now feels "splendid."

BOILED CHICKENS.—Stuff the chicken as for roasting. A good dressing is made by chopping half a pint of oysters and mixing them with bread crumbs, butter, pepper, salt, thyme and wet with milk or water. Baste about the chicken a thin cloth, the inside of which has been dredged with flour, and put it to boil in cold water with a tablespoonful of salt in it. Skim while boiling. For a moderate sized chicken, an hour and a half or two hours will be sufficient. Serve with oyster sauce, or egg sauce, as you prefer.

GENERAL PIERCE was once opposed to a Mr. Hubbard in a law case. The General's strong point was his influence over a jury, and in this particular case the eyes of every jurymen were suffused with tears by his pathetic pleading. Mr. Hubbard, in a gruff voice, began his reply with, "Gentlemen of the jury, understand that I am not boring for water." The effect of the General's eloquence was completely neutralized.

A BRIGHT but forward boy frequently finds that his brightness does not save him from punishment for indulging in forwardness, of which distressing fact to forward boys we give the following illustration: At one of Sheridan's dinner-parties, the conversation turned upon the difficulty of satisfactorily defining "wit." Forgetting that he was expected to hear, see, but say nothing, Master Tom Sheridan informed the company,—"Wit is that which sparkles and cuts." "Very good, Tom," said his father. "Then, as you have sparkled, you can cut!" and poor Tom had to leave his dinner unfinished, and retire to private apartments.

Scott's Emulsion of Pure
COD LIVER OIL, WITH HYPOPHOSPHITES.
 Its Value for Women and Children.

Dr. R. HAAS, Jersey City, N. J., says: "I have given your Emulsion to my little boy of three years. He was in poor health, but he has now taken two bottles, and is improving both in strength and health. I have also recommended it to several of my female patients and they have derived much benefit from it."

Narrow Escape.

ROCHESTER, June 1, 1882. "Ten Years ago I was attacked with the most intense and deathly pains in my back and —Kidneys."

"Extending to the end of my toes and to my brain!
 "Which made me delirious!
 "From agony!!!!
 "It took three men to hold me on my bed at times!

"The Doctors tried in vain to relieve me, but to no purpose.
 Morphine and other opiates!
 "Had no effect!
 "After two months I was given up to die!!!!

"When my wife heard a neighbour toll what Hop Bitters had done for her, she at once got and gave me some. The first dose eased my brain and seemed to go hunting through my system for the pain.

The second dose eased me so much that I slept two hours, something I had not done for two months. Before I had used five bottles, I was well and at work as hard as any man could, for over three weeks, but I worked too hard for my strength, and taking a hard cold, I was taken with the most acute and painful rheumatism all through my system that ever was known.

"I called the doctors again, and after several weeks they left me a cripple on crutches for life, as they said. I met a friend and told him my case, and he said Hop Bitters had cured him and would cure me. I looked at him, but he was so earnest I was induced to use them again.

In less than four weeks I throw away my crutches and went to work lightly and kept on using the bitters for five weeks, until I became as well as any man living, and have been so for six years since.

It has also cured my wife, who had been sick for years; and has kept her and my children well and healthy with from two to three bottles per year. There is no need to be sick at all if these bitters are used.
 J. J. BENS, Ex-Superior.

"That poor invalid wife, Sister, Mother,
 "Or daughter!!!
 "Can be made the picture of health!
 "with a few bottles of Hop Bitters!

None genuine without a bunch of green Hops on the white label. Shun all the vile, poisonous stuff with "Hop" or "Hops" in their name.

CORPULENCY Recipe and notes how to be harmlessly, effectually and rapidly cured without semi starvation dietry, etc. European *Journal*, Oct. 24th, says: Its effect is not merely to reduce the amount of fat, but by affecting the source of obesity to induce a radical cure of the disease. Mr. R. makes no charge whatever; any person, rich or poor, can obtain his work gratis, by sending 6 cents to cover postage to F. C. BRIGHT'S DISEASE OF THE KIDNEYS.

The above symptoms are not developed in any order, but appear, disappear and reappear until the disease gradually gets a firm grasp on the constitution, the kidney-poisoned blood breaks down the nervous system, and finally pneumonia, diarrhoea, bloodlessness, heart disease, apoplexy, paralysis, or cerebral aneurism ensue and then death is inevitable. This fearful disease is not a rare one—it is an every-day disorder, and claims more victims than any other complaint.

It must be treated in time or it will gain the mastery. Don't neglect it. **Warner's BARK Cure** has cured thousands of cases of the worst type, and it will cure you if you will use it promptly and as directed. It is the specific for the universal
