Washing Compound. Those who use it like it, and tell their friends. Over one million families now use it. The sale increases—each month shows decided gains. Do you know the truth? PEARLINE washes clothes, coarse or fine—dishes—paint—everything—in half the time, with half the labor, and better than anything else known. As it saves the worst of the rubbing, so it saves the worst of the wear; your clothes and paint last longer and look better, if washed with PEARLINE. Harmless to fabric or hands, and economical. There is nothing else like PEARLINE. Beware of imitations being peddled or sold by means of prizes—they are dangerous—such means are not necessary to sell a good article. Pearl line is manufactured only by JAMES PYLE, New York.
