PRACTICAL TALKS

.... ON

Important Themes

TO YOUNG CONVERTS, OLDER CHRISTIANS
AND THE UNCONVERTED

BY ----

Rev. H. T. Crossley.

CLOTH, \$1.00

THE author tells us in his preface: "This book of *Practical Talks on Important Themes* may be regarded as a souvenir volume of our evangelistic work. We publish it in response to many requests for such a volume, hoping to further instruct and confirm those who are new converts, and, at the same time, assist to clearer views of truth and privilege those who are more experienced Christians, and also to induce the unconverted to become Christians." Those who know Mr. Crossley need not be told that his book is terse, practical, clear, and evangelistic in its tone. It is a book of nearly 400 pages, clearly printed and strongly bound, and contains portraits of Mr. Crossley and of Mr. and Mrs. J. E. Hunter and family.

JAPAN

THE LAND OF
THE MORNING

By Rev. J. W. Saunby, B.A.

CONTENTS:

The Land—Myth and Tradition—In the Ancient Days—The Scholar and the Priest—The Struggle for the Mastery—The Samurai and his Lord—The Trader and the Missionary—Tokugawa's Triumph—Daybreak—Sunrise in Sunrise Land.

Cloth, Illustrated, \$1.00.

MR. SAUNBY has done magnificent work for us in presenting this well-condensed, yet comprehensive, and thrice interesting history of Japan, a country toward which the eyes of the civilized world are now turned as she knocks with the invincible hand of iron at the long-closed gates of her big neighbour, China.

We are given an admirable pen-picture of the topographical features of the country, a graphic recital of the early myths, the records of authentic history, and, in the closing chapters, reading like romance, the introduction and marvellous spread of Western civilization, and the extension of missionary operations.
