

LATEST MARKETS.

TORONTO, Aug. 18, 1896.

Wheat—There is a fair amount of activity in the local market and prices keep steady but meet with a pretty good inquiry...

Flour—Continues easy, although a fair demand exists. Still stocks are not light and millers want to sell.

Milk—Quiet and featureless. Bran is quoted at \$7.50 to \$8.00 for freight west, and shorts at \$9.00 to \$9.50.

Pork—Now are selling at 43c north and west. Old white are offered at 13c and mixed at 15c.

Barley—Nominally unchanged at 30c for No. 1, 32c for No. 2 and 35c for local outside.

Corn.—Nominally. Rye.—Nominally.

THE APPLE TRADE.

Messrs Woodall & Co. of Liverpool, in their annual report of apple crop in the United Kingdom for 1896, say that the results are much less favorable for our growers than last year, especially as the districts which produce most fruit give the worst returns.

The past season was, they say, comparatively unimportant, the total imports into Great Britain being 788,000 barrels, against 1,458,000 barrels in the previous season. The quality and condition (especially of Canada) were generally good, and a much larger quantity could have been disposed of without affecting prices.

The prospects for the coming season are, Messrs. Woodall think, very good, "for not only is our own crop short, but the unfruitful season has hurried all the American and Canadian apples arrive there will be little, if anything, to compete with them."

The latest reports from the continent point to a similar state of things prevailing there. The total imports into Great Britain during the past season, from United States, Canada and Nova Scotia, were as under:—

Liverpool, 438,355 barrels, \$49,646 value; total, 788,000 bbls. Against same period, 1894-5, 1,458,000 bbls; 1895-6, 1,204,000 bbls.

Eggs—Good boiling eggs sell at 8c to 8 1/2c, but comparatively few sales are reported. The market is easy and quiet.

Potatoes—Choice are selling on the street at 30c to 35c per bushel and at 35c a bag.

Haid Hay—Large quantities of inferior hay are offered, but more is wanted. Choice stuff sells at \$11 to \$11 50.
