BRANTFORD
STONE WARE WORKS.

The manufacturing of Stone Ware is one of the oldest and most important interests of Brantford. Being established in the Spring of 1849, it has been in constant operation with the exception of a few months during the winter of 1857-8, and again during the process of re-building after the fire of the winter of 1873. None but the best sample of New Jersey is used in the manufacture of this ware, an assortment of which is kept constantly on hand to supply customers. Orders by mail respectfully solicited, and will receive prompt attention.
