THE INDEPENDENT

The greatest religious paper of the United States
 J. B. COOK

The INDEPENDENT seeks the patronage of the public on
 sure grounds as follows:
 1st. It is the largest weekly religious newspaper published
 in the world.
 2d. It employs as contributors more able writers, at
 home and abroad, than any other weekly newspaper.
 3d. It gives its readers a wider range of topics and more
 and fuller departments than they can find elsewhere in any
 journal.
 The INDEPENDENT consists of 32 pages, neatly cut and
 pasted. It is printed from clear type (we stereotype the
 type) and hence, every issue is really printed
 with new type and on good paper, and mechanically it is
 unexcelled.
 There is no question of prominence in religion, politics,
 science, education, finance, or any other department of
 human knowledge which THE INDEPENDENT does not dis-
 cuss. It has regular departments devoted to Biblical Re-
 search, Missions, Religious Intelligence, Book Reviews
 and Literary News, the Sunday School, Education, Science,
 Sanitary questions, Fine Arts, the movements of ministers,
 Personalities, News of the week, Financial and Com-
 mercial matters, including Weekly Prices, Current
 Market Reports, Cattle Market, Dry Goods Quotations,
 Flowers and Farming, and Insurance. In its religious
 department it gives news and statistics of all denomina-
 tions of Christians everywhere. In fulness, accuracy,
 and comprehensiveness this department is unequalled.
 Several pages of stories and poems adapted to Old and
 Young are given every week, with a column of Puzzles.
 From time to time sermons by eminent ministers are
 published. The current topics of the day are discussed in
 our editorial columns freely and vigorously. We are not
 afraid to state our opinions.

SEWING MACHINES

No. 8.

THE BEST AND CHEAPEST.

This Machine embraces all the latest improvements, and has all the
 desirable points that can be claimed for any of its competitors, while the
 inventor has avoided the objectionable features of other Machines.

It has no noisy Shuttle to thread or wear out, but simply a Bobbin
 that never wears. It is simple of construction, easy to handle, and runs
 quietly and rapidly. There are now 85 of these Machines in one Fab-
 rory in Toronto, running from 1,200 to 1,500 stitches per minute. This
 a test of durability no other Machine could stand.
