Literary Notes.

DR. PARKHURST, the story of his life and his remarkable war against the official protection of vice and crime in New York City, will be the subject of an authoritative article in McClure's Magazine for April. The article will be illustrated with several portraits of Dr. Parkhurst.

A QUESTION of some moment to the busy man and woman of to-day is, how one may obtain a maximum of the choicest, most valuable reading matter at a minimum of outlay! An acquaintance with LITTELL'S LIVING AGE enables one to answer without hesitation, for it is a magazine exactly suited to their need. Fresh, entertaining, instructive, paying weekly visits, convenient in size, clearly printed, and replete with the choicest gleanings of the foreign literary field, it is the ideal magazine for the families of culture and intelligence. It needs but to be known to be prized as one of the best educational influences which can be introduced into the home. The contents of recent issues will maintain the high average which characterizes its weekly issues. It is published by LITTELL & Co., Boston, at \$8.00 a year. A specimen copy may be obtained for 15c.

Prevailing Sickness.

THE most prevalent complaints at this season are rheumatism, neuralgia, sore throat, inflammations and congestions. For all these and other painful troubles Haggard's Yellow Oil is the best internal and external remedy.

Wonderful Success.

DEAR SIRS,—I can highly praise B. B. B., because it had a fair trial in my case with wonderful success. My symptoms were d.ropy, backache and sleeplessness, and all these disappeared after using two bottles of B. B. B. I cannot praise its healing powers too highly.

How to get a "Sunlight" Picture.

Send 25 "Sunlight" Soap wrappers (wrapper bearing the words "Why Does a Woman Look Old Sooner Than a Man") to Lever Bros., 43 Scott St., Toronto, and you will receive by post a pretty picture, free from advertising and well worth framing. This is an easy way to decorate your home. The soap is the best in the market and it will only cost you a postage to send in the wrappers, if you leave the ends open. Write your address carefully.

The Change from Girlhood to Womanhood — is

fraught with dangers. At this period the young woman is especially sensitive, and many nervous troubles, which continue through life, have their origin at this time. If there be pain, headache, and nervous disturbances, or the general health not good, the judicious use of medicine should be employed. Dr. Pierce's Favorite Prescription is the best tonic and nerve at this time. The best bodily condition results from its use. It's a remedy specially indicated for those delicate weaknesses and derangements that afflict womenkind at one period or another.

For all women, at all times of life, in all cases of peculiar nature, the "Prescription" is the safe agent that builds up, strengthens, and cures.

In catarrhal inflammation, in chronic disorders and displacements common to women, it is *guaranteed* to benefit or cure, or the money is refunded.

A great many medicines "relieve" Catarrh in the Head. That means that it's driven from the head into the throat and lungs. But, by its mild, soothing, cleansing and healing properties, Dr. Sage's Catarrh Remedy perfectly and permanently cures.
