MESSRS. ARCHDALE WILSON & CO.,  
City.

HAMILTON, APRIL 18th, 1899.

DEAR SIRS.—I have pleasure in stating that I have been using Wilson's Fly Pads in my family for a great many years. My daughter, who now lives in Cologne, Germany, has frequently asked me to send her a supply and I have been doing so regularly for the last four years.

I am leaving for Germany this week and am taking over two dozen packets for her and other friends, and I know of no other Fly Poison equal to Wilson's Fly Pads, either in this country or in Germany, and I intend trying to get some of my relatives in Germany to handle Fly Pads on a large scale.

Yours truly,

L. BAUER,

**Wilson's Fly Pads** are sold by all Wholesale Druggists.
