

The Son of Man is come to seek and to save that which was lost.

ANNUAL BOARD MEETING.

HE Annual Board Meeting held on Friday, 28th ult., was the longest session held for many years past. The business discussed was of the highest importance to the future welfare of the Association, and the reports presented by the sub-committees spoke of an unusually large amount of work and corresponding success. As these reports will form the basis of the Annual Report to be presented at the meeting on Tuesday, we shall not give any figures or make any comments until after that meeting.

PROVINCIAL CONVENTION.

NCE again we call attention to the 15th Annual Provincial Convention to be held at Peterborough on Oct. 23-26. The circular of the Association at that point has been received and from it we quote the following:—

“A cordial welcome, both from the members of our Association, and from the Christian public generally, awaits all who come. We would urge every Association in the two Provinces to send delegates, if at all possible. We also give a hearty invitation to brethren interested in our work, in towns where no Association exists.

“In order to make satisfactory provisions for the entertainment of guests, we ask the Associations to send us by the 13th October, the names of delegates intending to be present.

“A Reception Committee, wearing badges, will be present at the arrival of trains to receive delegates.

“Believing that great good will result from our gathering together at this time, and hoping to welcome representatives from all our Associations, we are”

Yours, in the Work,

GEO. E. WILLIAMS, J. FRITH JEFFERS,
General Secretary. *President.*

We shall be pleased to hear from any of our Workers who may desire to attend. Attendance upon the Convention will not entail much expense upon the delegates, and would doubtless prove helpful to the worker himself, and indirectly to the Association represented. It will be observed that there is no time to be lost in deciding the question of attendance.

WEEP WITH THOSE THAT WEEP.

The following resolution was unanimously adopted by the Board of Directors at its last meeting:

Moved by Lewis C. Peake, seconded by J. J. Gartshore, and *Resolved*,—

1. That this Board has learned with deep sorrow of the irreparable loss sustained by our dear brother and late General Secretary, T. J. Wilkie, of Brooklyn, N. Y., in the sudden death of his wife.

We offer to our beloved brother and co-worker the assurance of our profound sympathy in this mysterious visitation, with our earnest prayers to the Giver of all grace, that He may grant to Brother Wilkie that measure of grace which is necessary to sustain him in this sore trial, and bring him forth as gold from the furnace.

2. That this Board directs that a copy of this resolution be transmitted to Brother Wilkie, by the General Secretary.
