Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required as a cathartic, nor was ever any before so universally adopted into use in every country and among all classes, as this solid but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity. They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease. Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

- For Dyspepsia or Indigestion, Listlessness, Lassitude and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.
- For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice, Green Stools, Colic, Bilious Colic and Bilious Fevers, they should be judiciously taken (or each case, to correct the diseased action or remove the obstructions which cause it.
- For Dysentery or Dysarrhea, but one mild dose is generally required.
- For Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. Which such change those complaints disappear.
- For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.
- For Suppression a large dose should be taken as it produces the desired effect by sympathy.
- As a Diabetic Pill, take one or two Pills to promote digestion and relieve the diseased action of the system. An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous when no serious derangement exists. One who feels tolerably well, should take one of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. This hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume. Prepared by Dr. J. C. Ayer & Co., PRACTICAL AND ANALYTICAL CHEMISTS, LOWELL, MASS. PRICE \$1.00.
