## The Business OF A Trust Company

A Trust Company is concerned daily with the investment of funds, the care of property, and the protection of the financial interests of widows and beneficiaries. Its staff specializes on this work.

It is logical, therefore, that a Trust Company can better safeguard the interests of your heirs than could any individual you might appoint whose experience is along other lines.

If the Trust Company be appointed to act as your executor and trustee, your estate will have the full benefit of the Company's valuable experience and facilities.
