## LIVER, BLOOD AND LUNG DISEASES.

LIVER DISEASE
AND
HEART TROUBLE.

Writes: "I addressed you in November, 1884, in regard to my health, being afflicted with liver disease, heart trouble, and female weak-ness. I was advised to use Dr. Pierce, Golden Medical Discovery, Favorite Prescription and Pellets. I used one bottle of the 'Prescription', five of the 'Discovery, and four of the 'Pleasant Purgative Pellets.' My health began to improve under the use of your medicine, and my strength came back. My difficulties have all disappeared. I cam work hard all day, or walk four or five miles a day, and stand it well; and when I began using the medicine I could earnely walk across the room, most of the time, and I did not think I could ever feel well again. I have a little baby girl eight months old. Although she is a little delicate in size and appearance, she is healthy. I give your remedies all the credit for curing me, as I took no other treatment after beginning their use. I am very grateful for your kindness, and thank God and thank you that I am as well as I am after years of suffering."

Rev. F. Asbury Howell, Pastor of the M. E. Church, of Süverton, N. J., says: "I was and blotches began to arise on the surface of the skin, and I experienced a tired feeling and duliness. I began the use of Dr. Pierce's Golden Medical Discovery as directed by him for such complaints, and in one week's time I began to feel like a new man, and am now sound and well. Consumption.—Mrs. Edward Newton, of Harrowsmith. Ont., writes: "You will ever be praised by me for the remarkable cure in my case. I was so reduced that my friends had all given me up, and I had also been given up by two doctors. I then went to the best doctor in these parts. He told me that medicine was only a punishment in my case, and would not undertake to treat me. He said I might try Cod liver oil if I liked, as that was the only thing that could possibly have any curative power over consumption so far advanced. I tried the Cod liver oil as a last treatment, but I was so weak I could not keep it on my stommach. My husband, not feeling satisfied to give me up yet, though he had bought for me tity of your 'Golden Medical Discovery.' I took only four bottles, and, to the surprise of everybody, am to-day doing my own work, and am entirely free from that terrible cough which harrassed me night and day. I have been afflicted with rheumatism for a number of years, and now feel so much better that I believe, with a continuation of your 'Golden Medical Discovery.' I will be restored to perfect health. I would say to those who are falling a prey to that terrible disease consumption, do not do as I did, take everything else first; but take the 'Golden Medical Discovery' in the early stagres of the disease, and thereby save a great deal of suffering and be restored to health at once. Any person who is still in doubt, need but write me, inclosing a stamped, self-addressed envelope for reply, when the foregoing statement will be fully substantiated by me."
