

This is the sixth report on Canadian official development assistance since the *Official Development Assistance Accountability Act* (the Act) came into force on June 28, 2008.

This report meets the reporting requirements of subsections 5(1) and 5(3) of the Act.

The statistical report required under subsection 5(2) of the Act, with details about disbursements counted as official development assistance, will be published by the end of March 2015 on the Department of Foreign Affairs, Trade and Development's website.

The Act is available at <http://laws-lois.justice.gc.ca/eng/acts/O-2.8/page-1.html>.

The majority of the pictures included in this report were taken on behalf of the Government of Canada. They are a vibrant demonstration of the impact of Canada's official development assistance.
