Dominion Secretary-Treasurer,
C.N.V.A. of Canada,
Ottawa.

Dear Sir:-

With reference to your letter of October 31st, I suggest that the Poppy Day Funds be deposited to the credit of the National Treasurer of that Fund in the Head Office of the Bank of Montreal, St. James Street, Montreal. I may say that in the efforts which are being made to raise money for that fund in Montreal every branch of the Bank of Montreal is acting as a distributing centre for poppies.

Will you please let me know when the funds are all collected and to whom the amount is to be forwarded. At the same time please forward to the Bank my authority for acting as your Treasurer.

Yours faithfully,
