2106 Park Avenue,  
Montreal.

Dear Mr. Teeson:-

In view of the fact that I am leaving the city for a month and that I have not had any time to give consideration to the matter of Appraisals Limited, I think it right for me to ask you not to consider my name any further in connection with your Board of Directors.

I thank you for placing the matter before me and wish the Company every success.

Yours faithfully,

Principal.
