

112 The school houses are to be built in accordance with plans and specifications furnished or approved by the Superintendent.

113 School houses shall not be opened before having been accepted by the school inspector, who will visit them at the request of the school board, and the said school board shall pay the travelling and other expenses incurred by the school inspector for the purpose of this visit. The school inspector shall report the result of his visit immediately to the Superintendent of Education.

114 School boards shall see that each school house is kept in good repair, that the windows are properly filled with glass, and that suitable fuel is provided; that the desks and seats are in good repair, that the outhouses are properly provided with doors and kept clean, that the blackboards are kept painted, that there is a supply of good water, and that everything that is necessary for the comfort of the pupils and the success of the school is provided. When a manager is appointed, the school board shall see that he performs his duties in a proper manner.

115 No public school house or school ground or any building, furniture or other thing pertaining thereto, shall be used or occupied for any other purpose than for the use or accommodation of the public school of the district, without the express permission of the school board or the chairman thereof, and then only on condi-
