## LEAFS SLAM BALL ALL OVER THE LOT

Small Crowd Shiver Cheerfully as We WinsOur First of Year at Hanlan's Point.

By actual count 150 persons, including dead heads and a dozen ladies, shivered cheerfully as the Leafs landed their first victory of the season at Hanlan's Point yesterday afternoon. The Clymers batted furiously and fielded like champions. Without a knowledge of the fact not one of those present could have suspected that the home team occupied the lowly position they do at the bottom of the list. The score was 16 to 5. Sure the visitors looked anything like champions on the play. In one or two innings on their pegging to bases they looked like a sand lot outfit. But then they have a good alibi in that the Leafs were hitting them so hard and so often that the infield was dizzy going after them.

Twenty-two safe bingles distributed many nine men will help those shrunken muting averages considerably. Very few of them, too, were of the scratch order, dessenger was the high mogul with the willow, hitting safely four out of five mas up. One of them was a trementous home drive into the bleachers and was good for the circuit on any grounds. Loach was close behind him for honors with the same per intage of hits, while viscon and Treut each collected three in four tirres ap.

At Guelph.—Ottawa and Guelph battled ten innings to a tie in the second game of the series here. 3 to 3, when Umpire Bedford called the game to allow Ottawa to catch their train for home. Roberts started in the box for the Senators, but was sent to the bench in the sixth after the Leafs had sent two runs across the plate, and was relieved by Kubat, who pitched fine ball the rest of the game.
