THEY TRADED WIVES.

And Each Bride Made the Other's Wedding Gown.

A Pana, Ill., despatch says: Two of the most romantic weddings that have taken place in Pana are those of Mrs. Elsie Harrison, aged 36, to Edward Munday, aged 49, and Miss Lizzie McDermotte, aged 32, to Thomas Ellison, aged 53. The weddings were celebrated at the respective homes of the brides last night. Judge William Pierce officiated. The romantic part of these nuptial events is in the fact that Munday's present wife was the former wife of Ellison, and Ellison's present wife was once the wife of Munday. Ellison was legally divorced from his first wife, now Mrs. Munday, last Wednesday, and the new Mrs. Ellison was divorced from Edward Munday last Wednesday in the circuit court at Taylorville and restored to her maiden name, Lizzie McDermotte. Consequently it was an even exchange of wives. The contracting parties are all upon the best of terms and are intimate associates, which makes the affair all the more romantic. The present Mrs. Ellison made the wedding gown of the new Mrs. Munday, and vice versa, and the wedding parties prior to securing their divorces last Wednesday.

TROUBLE IN THE K. OF L.

Report That Sovereign Was Ejected From an Assembly Meeting.

Philadelphia, Pa., Aug. 21.-District Assembly No. 1 of the Knights of Labor held a meeting to-night, which is said to have ended unpleasantly for general Master-Workman Sovereign. The assembly has been the bone of contention between the Sovereign and anti-Sovereign factions for some time, and to-night a meeting was attended by Sovereign, general-secretary Hayes, T. B. Maczulewicz and Henry B. Martin, of the executive board, in an attempt to settle the difficulty. The session was so stormy that Sovereign is said to have called in a police officer to clear the hall. Not succeeding in this, it is asserted that the opposition forcibly ejected Sovereign, while his followers took precipitous leave. Sovereign denies the forcible-ejection story.

Chicago Police Capture Scientific Incendiary Outfits.

The Brazilian Steer-A Lake Breaks Loose Causing Great Damage-A Man Who Keeps His Cows Forty Years-Fighting in the East-Dead-Borned Wife-Bandit and His Wife Shot.

Plattsburgh, Neb., Aug. 21.-The preliminary examination of "Sandy" Griswold, the Omaha sporting editor and referee, and James Lindsey, the pugilist, charged with the murder of Fletcher Robbins, in the prize fight here, was concluded last night, the men being bound over in heavy bail. Fred O'Neil, Lindsey's second, said Lindsey intended to kill Robbins if he could not whip him, and that referee Griswold understood the scheme evidently. The feeling against the two men is very bitter.

THE GIRLS GET THE CASH.

San Francisco, Cal., Aug. 21.-Judge Coffey, of the Probate Court, has ordered that the daughters of the late Mrs. Theresa Fair be awarded their portions of their mother's estate. The daughters are Mrs. Herman Gehlrich and Miss Virginia Fair, of New York. They will receive \$1,500,000 each. The distribution of the estate was opposed by their brother Charles, because, under the terms of his mother's will, he cannot receive his share until he is 30 years of age. He is now 26.

INCENDIARIES' OUTFITS SEIZED.

Chicago, Aug. 21.-Inspector Conroy has received a chest full of the peculiar machines used by Herlet, Schanz, Nelson and other makers of incendiary devices for the destruction of property in this city. He has also seized another chest containing anarchistic literature. The machines are of singular construction, and lend color to the theory of a plot for wholesale destruction of property and probably of life. The machines are electrical in nature, and are operated by means of a length of tubing, which is something over an inch in diameter. The circuit is broken in the centre in such a manner as to cause sparks, which inflame, or burn or other highly inflammable fluid, conveniently placed, would instantly ignite and cause fire. The time of the explosion can be regulated with absolute certainty by the proper adjustment of the clock-work mechanism which frees the current.

COLD-BLOODED MURDER.

Dade City, Fla., Aug. 21.-Last night Milton Higgs came home from Floral City, where he had been to see his wife. As he reached home his wife drove up in a cart with another man. Higgs led the woman into the house and blew out her brains. The murderer escaped.

BANDIT AND HIS WIFE SHOT.

Mexico City, Aug. 21.-The killing of the famous bandit, Luna, and his wife, forty miles from this place, has caused great rejoicing. Soldiers came unexpectedly on the couple, who immediately fled. Luna was married, had a child and opened fire. The soldiers returned it and killed them both.

A LAKE BREAKS LOOSE.

M. p. Miss, Tenn., Aug. 21.-Lake No. 13, a considerable body of water in north Mississippi, 20 miles south of here, and situated half a mile from the city of Memphis, broke in two places, and a large volume of water poured out. It is expected the latter body of water will follow the example of Lake No. 13. The bed of the Mississippi River a few miles from Memphis is a series of sharp curves. The water in the present location of these lakes and river men expect this last freak of the waters will cause another change in the course of the river below Memphis. The inundation body of water pouring out of the lake has swept away the bridges, fences and crops.

FIGHTING IN MOROCCO.

New York, Aug. 21.-A despatch from Tangier, Morocco, says: Serious disturbances have just been reported from Morocco. The Sultan's troops killed forty of the rebels at Azimoor, general disorder and pillaging prevail in that portion of the empire.

THE BRAZILIAN STEW.

New York, Aug. 21.-The Herald's Valparaiso special says: Word comes from Rio Janeiro that President-elect Morais is greatly incensed against President Peixoto, and the latter's friends are urging him to assume the dictatorship.

The Rio Grande Rebel Committee, which has headquarters at Montevideo, denies the report that Gen. Saravia is dead. They say he is still unaccounted for, and is the head of an army of 8,000 determined revolutionists. An entire family of ten persons has been murdered by Indians in the Argentine Province of Santa Fe. The people killed belonged to the Sarmiento colony, and the murderers stole \$6,000 from the house and escaped.

HIS COFFIN READY FORTY YEARS.

Springfield, O., Aug. 21.-The Rev. Thomas Jones, an eccentric supernumerary minister, died Friday night at Concord, a village east of here. He will be buried in a coffin he had made forty years ago, and in which, at that time, he had placed his own coffin. He was placed in it, and he expressly stipulated that there was to be no undertaker.

about 26 years, and Julius De Norens, aged 30.

MONKEYED TOO MUCH.

Berlin, Aug. 21.-It is reported Herr Dow, inventor of the bullet-proof coat, was wounded during a performance at Aachen last evening, a bullet having pierced his cuirass.

MUST PAY THE WIFE-HUNTER.

Mascontah, Ill., Aug. 21.-The suit of Charles Timm against Henry Arnold to recover \$100 for services rendered and expenses incurred in the search for a wife for the defendant was tried at Smithton to-day. Arnold is a wealthy farmer, aged 75 years. He made a written contract with Timm, whereby the latter was to find a wife for him, and then refused payment on the ground that the agent returned empty handed. The evidence showed that Timm spent three months and some money in the search. He induced one widow of Pienkneville to give the proposition a month's consideration, but at the end of that time she turned in a negative answer. After due deliberation the jury awarded the matrimonial agent a verdict of \$52.

MAY BE A STRIKE.

Fall River, Mass., Aug. 21.-The Carders and Spinners' Executive Committee held meetings last night, and there is every indication of a strike on the part of the unions represented. There is much dissatisfaction over the reduction of wages in the various mills.

THE TRAMP'S REVENGE.

The tramp had been so encouraged by receiving a whole pie one day at a certain house that he became a nuisance by his frequent visits, and at last the lady of the house turned him down temporarily. Then it was he sought revenge. Coming again the next day he was met by a firm refusal.

"Only come," he said, whiningly, "to see if you can't give me another pie like that one you gave me before."

"No, I can't, and I wouldn't if I could," snapped the lady, "and if you don't go away I will call the policeman."

"Don't do that, lady," he replied, as he started off. "I don't mean no harm; was just thinkin' if you could give me another pie I'd put it with that other one I've saved, and then I'd steal an old bicycle frame and fix myself up so I could get around a good deal snappier than walkin'."

CABINET MEETING TO-DAY.

The Ministers Run in From Holiday Resorts.

FOUR BY-ELECTIONS SOON.

(By our own Reporter.)

Ottawa, Aug. 21.-There was to have been a meeting of the Cabinet at 11 o'clock to-day, but it was postponed until three in the afternoon so as to give time for all the Ministers, that is, all who are expected to be in attendance, to be on hand. The first to arrive at his office to-day was the Premier. He looks particularly well after his brief sojourn in the wilds of Muskoka. He speaks flatteringly of the place and the pleasure and comfort afforded him by the kindness of Senator Sanford who placed his cottage at his disposal. It is Sir John's intention to return to complete his holidays in the west as soon as it is possible for him to do so. He has some important business before the Council which he wishes to get through. It will take him until to-morrow and perhaps longer. Along with the Premier to-day came Clark Wallace. There were besides Sir John, Hon. Messrs. Costigan, Bowell, Oulmet, Huggart, Angers, and Patterson at the meeting this afternoon. Sir Herbert Tupper is not expected to return from Washington until to-morrow. The other Ministers who are absent are: Messrs. Daly, Foster, Caron, and Ives. The latter two are in the Old Country while Daly is the west coast of Canada by the sea-side. Besides attending to a large amount of general business-what the late Sir John Macdonald called parish business-there is some Behring Sea matters.

There is every reason to suppose that between now and Saturday next the result of the meeting of the Cabinet will be of general political interest. The electors of Cardwell, Lisgar, Quebec West, and Vercheres ought to be ready.

LATE SPORTING NOTES.

(Continued from 7th Page.)

JACKSON ACCEPTS.

Sioux City, Iowa, Aug. 21.-Peter Jackson has telegraphed his acceptance of the Sioux City Athletic Club's \$25,000 offer for the Corbett-Jackson fight, providing training expenses are guaranteed him if the fight does not take place. The guarantee has been made. The club is composed of forty leading business and professional men, who have jointly signed a note for the \$25,000 to be taken up and the cash deposited when the articles are signed. In regard to pulling off the fight the manager says: "I can reach any one of four States within an hour's ride of Sioux City, and we have also two Missouri River Islands over which neither Iowa, Nebraska, nor South Dakota claim jurisdiction, which I think minutes of the heart of the city."

"I will not permit this prize fight to occur within 'he corporate' limits of Sioux City," said Mayor Fletcher. "What is more, I doubt if it will be allowed to be fought on Iowa soil."

CORBETT ACCEPTS ALSO.

New York, Aug. 21.-Wm. A. Brady, Corbett's manager, this morning telegraphed as follows to the United Press from Plattsburgh, N. Y.: "Corbett accepts Sioux City offer for fight with Jackson." Signed, W. A. Brady.

THE WANDERING CRICKETERS.

Detroit pulled the game out of the fire at the eleventh hour. For the visitors business now for the National League, 61 years old, played a vigorous game. Score, Wanderers 93; D. A. C. 99. The Wanderers went in for a second inning, though it could not be finished, and ran up a score of 91. They played in London to-day and will visit Paris, Hamilton, Toronto and Berlin.

THE UNITED STATES ELEVEN.

Philadelphia, Pa., Aug. 21.-The Executive Committee of the Cricketers' Association of the United States held a meeting in this city yesterday afternoon to choose the American team which is to play against Canada. It was decided to play the game on the Philadelphia Cricket Club's grounds on September 10th, 11th and 12th. The following twelve men were chosen to represent America:

G. S. Patterson, F. W. Balston, E. W. Clarke, jun., P. B. Brown, P. H. Boulton, and H. I. Brown, Germantown; C. Coak, jun., A. M. Wood, J. W. Muir and J. A. Scott, Belmont; C. J. B. King and H. P. Bailey.

Of the twelve selected it is doubtful if Bailey can play, he being at present in Chicago.

CHICAGO VS. HAMILTON.

The following eleven will represent Hamilton in the match with the Wanderers of Chicago, to-morrow (Wednesday) on the H. C. grounds. Game to start at 11 a. m.: J. L. Connell, C. J. Dixon, F. R. AN IMPORTANT CAPTURE.

A Prisoner Who Has Been Engaged in Several Robberies.

The detectives believe that they are at last on the track of the thieves who are responsible for the many petty thefts and attempts at house-breaking made in different parts of the city during the past few weeks. This morning Detectives Reid and Campbell arrested Albert Rabitoy, aged 15, on the charge of breaking into H. E. Thornhill's jewelry repairing shop, No. 20 Market Square, on Friday night, and stealing three silver watches and a number of rings and other jewelry. After his arrest Rabitoy admitted breaking into Thornhill's place and also that he had been concerned in the breaking into the Domestic Specialty Company's store, John street south, and stealing the cash drawer; breaking into Jos. Mills & Son's store and the restaurant on the Market Square near Thornhill's place. Rabitoy is believed to have had at least one confederate, possibly more. At present he refuses to give any information that will lead to the detection of the other guilty parties. The detectives recovered nearly all the stolen stuff.

Rabitoy has been in the Police Court before and has associated for some time past with a number of boys who have been liberated from time to time by the Magistrate under "suspended sentence" after being convicted in some cases of three or four burglaries. There are said to be about fifty of these boys in the city and as nearly every time they are arrested they get off scot free there is little satisfaction for the police or anybody else in having them convicted.

Ottawa, Aug. 21.-There was to have been a meeting of the Cabinet at 11 o'clock to-day, but it was postponed until three in the afternoon so as to give time for all the Ministers, that is, all who are expected to be in attendance, to be on hand. The first to arrive at his office to-day was the Premier. He looks particularly well after his brief sojourn in the wilds of Muskoka. He speaks flatteringly of the place and the pleasure and comfort afforded him by the kindness of Senator Sanford who placed his cottage at his disposal. It is Sir John's intention to return to complete his holidays in the west as soon as it is possible for him to do so. He has some important business before the Council which he wishes to get through. It will take him until to-morrow and perhaps longer. Along with the Premier to-day came Clark Wallace. There were besides Sir John, Hon. Messrs. Costigan, Bowell, Oulmet, Huggart, Angers, and Patterson at the meeting this afternoon. Sir Herbert Tupper is not expected to return from Washington until to-morrow. The other Ministers who are absent are: Messrs. Daly, Foster, Caron, and Ives. The latter two are in the Old Country while Daly is the west coast of Canada by the sea-side. Besides attending to a large amount of general business-what the late Sir John Macdonald called parish business-there is some Behring Sea matters.

There is every reason to suppose that between now and Saturday next the result of the meeting of the Cabinet will be of general political interest. The electors of Cardwell, Lisgar, Quebec West, and Vercheres ought to be ready.

JACKSON ACCEPTS.

Sioux City, Iowa, Aug. 21.-Peter Jackson has telegraphed his acceptance of the Sioux City Athletic Club's \$25,000 offer for the Corbett-Jackson fight, providing training expenses are guaranteed him if the fight does not take place. The guarantee has been made. The club is composed of forty leading business and professional men, who have jointly signed a note for the \$25,000 to be taken up and the cash deposited when the articles are signed. In regard to pulling off the fight the manager says: "I can reach any one of four States within an hour's ride of Sioux City, and we have also two Missouri River Islands over which neither Iowa, Nebraska, nor South Dakota claim jurisdiction, which I think minutes of the heart of the city."

"I will not permit this prize fight to occur within 'he corporate' limits of Sioux City," said Mayor Fletcher. "What is more, I doubt if it will be allowed to be fought on Iowa soil."

CORBETT ACCEPTS ALSO.

The Wanderers went in for a second inning, though it could not be finished, and ran up a score of 91. They played in London to-day and will visit Paris, Hamilton, Toronto and Berlin.

BRITANNIA WON TO-DAY.

AN IMPORTANT CAPTURE.

A Prisoner Who Has Been Engaged in Several Robberies.

The detectives believe that they are at last on the track of the thieves who are responsible for the many petty thefts and attempts at house-breaking made in different parts of the city during the past few weeks. This morning Detectives Reid and Campbell arrested Albert Rabitoy, aged 15, on the charge of breaking into H. E. Thornhill's jewelry repairing shop, No. 20 Market Square, on Friday night, and stealing three silver watches and a number of rings and other jewelry. After his arrest Rabitoy admitted breaking into Thornhill's place and also that he had been concerned in the breaking into the Domestic Specialty Company's store, John street south, and stealing the cash drawer; breaking into Jos. Mills & Son's store and the restaurant on the Market Square near Thornhill's place. Rabitoy is believed to have had at least one confederate, possibly more. At present he refuses to give any information that will lead to the detection of the other guilty parties. The detectives recovered nearly all the stolen stuff.

Rabitoy has been in the Police Court before and has associated for some time past with a number of boys who have been liberated from time to time by the Magistrate under "suspended sentence" after being convicted in some cases of three or four burglaries. There are said to be about fifty of these boys in the city and as nearly every time they are arrested they get off scot free there is little satisfaction for the police or anybody else in having them convicted.
