\$600 From Railway. Simon Goldberg brought action for \$600 damages in the county court yesterday, against the street railway the death of his five-year-old son David, who was killed by a car on Queen-street, near York, on Nov. 10,

The motorman, John Denison, swore that when he saw the little fellow run towards the car he put on the emer-gency brake and reversed the power. The boy was struck by the corner of the fender, and thrown back, rolling under the car from the side, the rear wheel breaking his neck. In the statement of claim it was

stated that there were no side guards to prevent the boy rolling underneath and Walter Macrae, one of the superintendents, explained that the comhas been done since the accident. The jury brought in a scaled verdict.

Speed fiends will meet their Waterloo in Magistrate Kingsford. Referring to the number of cases that have lately been settled out of court, he declared: "I will direct that no more automobile cases be settled out of court. It is ridiculous that there should be sixteen of these in one day, seven being fined \$20. If this goes on the next fine will be \$30, and if it still continues it will be \$40." Several cases for speeding were ad-ourned to compel either the owners or

drivers of the automobiles to appear. Had to Employ Diver. large cargo of mixed merchandise the big freighter Seguin of the Canadian Lake Line left last night PRINCESS MATINE Charles Frohman presents

Toronto, May 4th 1910. St. Leon Waters, Limited, Toronto.

Gentlemen.—I have the firmest faith in the curative properties of MIRACK—the original St. Leon. I suffered from rheumatism for several years—in fact, it sometimes crippled me to the extent that I had to use crutches. After taking allFACK for a few days, I experienced great relief. Now rheumatism never troubles me. I think it is your duty to let the public know all about the curative properties of MIRACK. Yours (1918) F. J. COWLEY, 225 Queen Street West.
