Another Letter from Mrs. C. Krapf

August 18th, 1875.

DR. RADWAY—*Kind Sir*: I take the liberty to address you again. My health is greatly improved by the use of your medicines. Three of the tumors are entirely gone, and the fourth is nearly so. Dropsy is gone; health still improving, and my weight decreasing very fast. I have had a great many calls this summer to inquire of the wonderful cure your medicine has done for me, one from Ohio, one from Canada, three from Jackson, and quite a number from this place.

Yours, with respect,

MRS. C. KRAPF.

We are well acquainted with Mrs. Krapf. She is an estimable lady and very benevolent. She has been the means of selling many bottles of the Resolvent, by the druggists of Ann Arbor, to persons afflicted with internal tumors. We have heard of some wonderful cures effected by it.

Yours respectfully,

EBERBACH & CO.

DYSPEPSIA

HUNDREDS of maladies spring from this complaint. The symptoms of this disease are the symptoms of a broken-down stomach. Indigestion, Flatulence, Heartburn, Acid Stomach, Pain after Eating—giving rise sometimes to the most exorciating Colic—Pyrosis or Water Brash, etc., etc.

RADWAY'S SARSAPARILLIAN, aided by Radway's Pills, when needed, is a cure for this complaint. It restores strength to the stomach, and makes it perform its functions. The symptoms of Dyspepsia disappear, and with them the liability of the system to contract diseases. Take the medicine according to directions, and observe what we say in "False and True" respecting Diet. The subject is too long to introduce in our Almanac, and Dyspeptics must heed those rules.

TO DR. RADWAY—*Dear Sir*: I have for years been troubled with Dyspepsia and Liver Complaint, and found but little relief until I got your Pills and Resolvent, and it made a perfect cure. They are the best medicines I ever had in my life; I will never be without them. Please send me a copy of your "False and True," also a copy of your "Illustrated Treatise on Irritable Urethra and Self-Abuse."

Your friend forever, JOSEPH FRANKLIN.

DYSPEPSIA WITH PALPITATION.

BLACK RIVER, N. S., Feb. 3d, 1882.

DOCTOR RADWAY—*Dear Sir*: I have for years been troubled with Dyspepsia and Palpitation of the Heart, and found but little relief until I got your Pills and Resolvent, and they cured me.

Yours truly, A. F. BAREY.

ASTHMA.

ST. PAUL, MINN., September 15th, 1878.

Sirs: I am using your Resolvent and Pills for the Asthma. I find they do me more good than any other medicines I have taken. I have had a hard time last week with the Asthma, but I am over it now. It was three years ago that I first commenced to take your medicines for the Asthma, which relieved me at once.

Art aids, but nature performs the cure.

Vomiting, stupidity or delirium occasioned by a wound in the head is bad.

After a flux of blood, a delirium or convulsion is bad.
