THE LORNES KNOCKED OUT. THE LORNES KNOCKED OUT.

The Lornes' defeat on Saturday was a big surprise to everybody. The Brockville team was almost entirely unknown to local players here, and though it had defeated Cornwall and Kingston, was looked upon as easy prey for the conquerors of Varsity and London. The Lornes were hadly used up after their match of a week ago, and some of the men were riot in playing condition. Wilson's leg troubled him a great deal and at times almost forced him to quit the game. They played their usual strong game, but were outmatched at all points by their opponents except in the defence. Eby played a particularly splendid game, and his clean, long punts were features, but the wings could not take advantage of them, as they were not able to get away from their checks, who nailed them at every turn. The winners were particularly strong in the wings and quarter. Their scrimmage is stronger than that of the Lornes and were able to gain considerable ground by

shoving in wedge shape. The haives are good punters, but make had fumbles, especially when in close quarters.

From the kick-off Brockville rushed the game and kept the bail in the Lornes' seemed a certainty that Belanger had been forced to rouge, but it did not count, and almost immediately the bail changed ends, due principally to the work of Shea and grounds. After a succession of scrimages near the Lornes' line Richardson was entered to reason the game and kept the bail thanged ends, due principally to the work of Shea and Gleason, and two rouges were scored up. Ottawa 24, Brits. 0. Ottawa continued to press until Ross went over for the final try bringing the score up to 37 points. The officials were satisfactory to both teams, although perhaps a stricter interpretation might be put on the interference rule. The teams were:

Annual Meeting Held at Hamilton-Practically No Change in Districts.

Hamilton, Nov. 8.—(Special.)—The annual meeting of the Southern Hockey Association was held in the St. Nicholas Hotel on Saturday night. Among the delegates present were: C. W. Lawton and J. K. Martin, Paris; W. L. Gibson, Brantford; P. A. Kerr and R. L. Innes, Simcoe; F. P. Walsh and P. E. Best, Niagara-on-the-Lake; F. C. McBurney and H. P. Stephens, Niagara and Falls; A. L. Hamilton and A. N. Myer. Dunnville; Norman Clark. Woodstock; W. Windham and E. J. Leith, Hamilton Victorias.

The members of the latter club are strenuously objecting to the grouping of the clubs, and demand classification with the Western district clubs, otherwise they threaten to withdraw from the association. The chief objection the Victorias have to the Eastern district appears to be the twelve-mile drive from St. Catharines to Niagara-on-the-Lake.

After a prolonged discussion it was decided to make practically no change in the districts, Hamilton, Niagara Falls, Niagara-on-the-Lake and Dunnvile being placed in the Eastern district, and Paris, Woodstock, Simcoe and Brantford in the Western district. It was decided to reduce the annual club dues to \$3, with an initiation fee of \$2. The election of officers for the ensuing year resulted as follows:

President, William Wyndham, Hamilton; Vice-Presidents, Eastern, P. E. Best, Niagara-on-the-Lake; Western, J. S. Armitage, Paris; Secretary-Treasurer, H. P. Stephens, Niagara Falls; Executive Committee, Harvey Powell, Woodstock; W. L. Gibson, Brantford; R. L. Innes, Simcoe, and A. N. Myer, Dunnville.

SPORTING NOTES A meeting of the Parkdale Sailing Club wils be held to-night in Waiter Dean's boathouse. All interested in boating and canoeing in the West End are requested to attend. A large number of applications for membership have been received.

On Saturday night the patrons of Prof. Popp's boxing academy saw a first-class six-round go between Tim Conway and Jimmy Johnston. Both men were very weak at the end, but Johnston was given the decision. Next Saturday night Fred Vanuck and Paddy Lain will have a six-round go, winner to take half the receipts of the house.

St. Michael's Bazaar. It was found impossible to wind up the bazaar on Saturday night, as many of the articles remained unsold, and the committee have decided to continue it this afterncon and close at 10 o'clock to-night. The most interesting event on Saturday evening was the popular cane contest, which was won by Mrs. Eugene O'Keefe.

key theatre" is. It simply means a the atre or performance in which the actors are monkeys instead of men. And clever actors these monkeys of Prof. Wormwood's are. With the assistance of the educated degs they furnish an evening's performance that is interesting, amusing and re-markable. The monkeys are on as actors, acrobats, dancers, leapers, dentists, coach-men, jugglers, gymnasts, equilibrists, bi-cyclists, wire walkers and fun-makers. cyclists, wire walkers and fun-makers. The dogs are only second in interest to the monkeys, and both together make a show really worth seeing. The makeys are attired as human beings and appear to share their intelligence in many of their stage acts. Those who witness them must have difficulty in persuading themselves that monkeys have not brains and do not possess the faculty of reasoning. The fun is fast and furlous, and inspired by the presence of the audience the monkeys work with redoubled zeal, and the spectators, overcome by the rapidly evolving, funcreating episodes, give vent to uncontrollable outbursts of laughter. It is something entirely new in the amusement field, and as its fame has preceded it here there is little doubt that Mr. Somerby will do the largest week's business that Toronto has seen for a long time. Performances will be given every afternoon at 3 o'clock and every evening at 8 o'clock during the entire week. Seats are on sale at Whaley, Royce & Co.'s, 158 Yonge-street.

OTTAWA COLLEGE SCORES 33.

Montreal, Nov. 8.—Ottawa College Saturday whitewashed the Britannia football team, winning the match by 33 to 0. The local team was completely outplayed. The beginning of the match seemed to take the heart out of the Brits. A try without a kick was the first thing the visitors did, and they were playing a rushing game that promised to count. Held in goal was counted twice, a couple of trys, and a goal kicked from another brought the figures to 22 to 0.

The College had the advantage of what wind there was in the first half, and Britannia's friends thought there would be a change in the second. Gleason's great play, which was begun early in the day, had begun to bear good fruit, and Belanger's tackling was also a marked factor in the scoring. Twice did the Brits. get the ball to the line, but they were unfortunate and a mistake prevented scoring, once, while a bad muft had the same effect a lift the later. The Brits., however, seemed to be brightening up. When the whistle blew the ball was in scrimmage at the College very sard line.

The second half was good, hard football, and the Brits. started in well, and worked the leather to the goal line. It was got over the line, too, but somebody had for
