The total number of children included was 93. The number of children received at the Shelter was 14, while 12 were discharged. Mrs. John I. Davidson found it necessary to resign her position as a member of the board, and to the vacancy thus caused Mrs. J. W. Flavelle was elected.

S. Ackerman, commercial traveler, Bellaville, writes: "Some years ago I used Dr. Thomas' Eclectric Oil for Inflammatory Rheumatism, and three bottles effected a complete cure. I was the whole of one summer unable to move without cratches, and every movement caused excruciating pains. I am now out on the road and exposed to all kinds of weather, but have never been troubled with Rheumatism since, I, however keep a bottle of Dr. Thomas' Oil on hand, and I always recommend it to others, as it did so much for me."

DEAR SIR,—I have been a great sufferer from Piles. The last attack was the most severe I have experienced. For ten days I could neither sit nor stand, and walking was out of the question, so great was my suffering. I could find no relief anywhere until your Pile Olntment was recommended to me. I got a box. I was relieved by the first application. In two days I was able to resume work and felt perfectly cured within a week. I volunteer this testimonial. I desire that people who suffer as I have done may know where to get such prompt relief as I found in the use of Orien's Pile Ointment.
