Toronto. THE "LIVE SUBJECT" DEAD.

Dick Matthews, Janitor of the

Medical Council Building, Dies Medical Council Building, Dies From Heart Failure.

"Dick" Matthews is dead, Medical stents all knew "Dick." So did many a many a practising physician shere and a away. For Dick was assistant janitor seight years in the Medical Council Builing. But to the student fraternity he wetter known as the "live subject." It wone of his humble duties to strip and his naked form upon a slab for purposes one of his humble duties to strip and lay his naked form upon a siab for purposes of examination of the students in anatomy. They must have diagnosed betimes his case to be one of heart disease, for it was heart trouble to which he succumbed on Sunday at the General Hospital in his 56th year. Mr. Matthews leaves many friends, but no relatives in this country. He was a native of Bristoi, England, and came to Canada about 15 years ago. He will be buried from the Hospital at 3 p.m. to-day.

Many home and foreign newspapers are giving extended notice to a recent important discovery in medicine obtained from the vegetable kingdom, which has been found to annihilate all appetite for alcoholic drink in a few hours, even in the most hopeless cases. It is tonic in effect, non-depressant, non-accumulative, antidotal and sedative in action, absolutely without unpleasant sequelae, and indicated for either sex or age. Many well-known physicians are endorsing this new product as being the only physical cure for alcoholism yet discovered which leaves no evil after effects. The opium and morphine crave also yield to this new medicine, and the beneficial results from its use in aggravated cases of neurasthenia, nerve exhaustion, nervous and general debility are extremely satisfactory. A strong argument in favor of this welcome help to unfortunate victims of these troubles is that the medicine can be carried in the pocket and taken in absolute privacy, thus dispensing with the publication.

request of several of the market butchers for refunds of the fees paid by them to the city, following the decision in the Cushen case. City Solicitor Mackelcan gave it as his opinion, founded on the decisions of the best authorities, that a person who voluntarily paid a fee, as did those who were applying for a refund, could not recover it either in law of equity.

Market Superintendent Davies told the committee will investigate the workings of the Waterworks Department, owing the committee that most of the meat dealers were nothing more than hucksters, buying the meat on the market and re-selling it there. The committee decided not to repay the fees, and in future no stands will be reserved for the butchers.

It was also decided to prepare a bylaw preventing butchers not holding licenses on the market from selling in less quantities than quarters. Dr. Baife's application for an increase of salary was laid over.

Separate School Board held a meeting to-night and passed the accounts. It was decided to expend \$25 on diplomas and premiums for successful pupils. Repairs will be made in the schools requiring them.
