Members of the force are much disgusted at the disgrace brought on it by the bungle. One said: "It seems strange that ten or fifteen policemen can be sent to a wedding, but in the case of a burglary only one can be spared."

A VICTIM OF SUMMER COMPLAINT.

Mr. Chas. Armstrong is at present employed at Augustus Newell & Co's organ reed factory, 29 Hayter street, Toronto. He suffered from dysentery so greatly that he almost died from weakened system. Maybe you would like to read his story:

Ozoae Co., Dear Sirs—

For three years 1 have been a martyr to diarrhea. So badly did the disease attack my system that I was at death's door. I tried doctors, and every remedy I heard of, but all to no effect. I saw Mr. Francis' testimonial in the paper and decided to try Powley's Liquified Ozone. I procured a bottle and by the time I had taken this I was entirely cured, and have been well ever since, with the exception of a slight attack this spring. I used Ozone again and now feel as well as ever I did in my life.

I keep Ozone in my house, as I know its value in my case, and esteem it a great family remedy in any event of sickness. (Sgd.) CHAS. ARMSTRONG,
44½ Gerrard Street, West Toronto.

Powley's Liquified Ozone is splendid for any affection of the catarrhal tract. It heals quickly and stops the terribly weakening drains which accompany bowel disorder. If you have a severe attack take it in dessertspoonful doses pure. It will soon give you relief. If you wish to prevent the disorders so common in summer, drink water in which you have Ozone-generally a dessertspoonful to a tumbler. This sterilizes the water and makes your sys tem healthy. Just try it once.
