Of Interest to Women

"Ouida" was a most pitiful epilogue her pitiful end. She died amid lalor and poverty and her body was Privacy at times for both the stranger and the housekeeper is necessary, and no thoughtful guest expects to be entertained every moment. She makes herself a most exhausting perowed to the grave only by a dozen s she had starved herself to feed, her faithful maid, to whom she her last manuscripts. The body buried in the English cemetery at

in of Illinois attacked the custom of American heiresses marrying European noblemen. Declaring that he had no particular person in view, he asserted that "Women are sacrucing their souls and their honor on the altar of snobbery and vice." He asserted that almost every day there is a bartal that almost every day there is a bargain day in New York, "where you can have anything from a yard of ribterboro, Ont. Illness has compelled Dr. Richard Showers of Bouquets Coming to De Burton of the University of Minnesota Pachmann, Pianist, and Heintzcan buy anything from a yard of rib-bon to a pound of flesh."

Mr. McGavin's remarks were made to withdraw his lecture on Modern Rounder the license of general debate, during a discussion of the bill to tax mance, to have been given on Saturday evening next at the Margaret Eaton School of Literature and Expression.

> Capt, and Mrs. Hector Reid leave for Australia next week for a five months'

PARIS, Jan. 28.—Paul Bourget today discussed the play. "Divorce,"
which was presented here to-night.
He said it was his purpose to emphasize the growing evils of divorce,
which he contends is fatal to the preservation of the family as a social
unit. He cites America as the country Mrs. Warnor of Montreal is the guest of Mrs. Bruce Macdonald, Jarvis-

The Chalfonte, Atlantic City. He cites America as the country Mrs. Henry McLaren, Hamilton, is staying with Mrs. G. P. Reid.

where divorce has become an institu-tion, and he says the possibility of divorce leads people to enter marriage lightly, to separate, and to re-marry; in other words, it is legalized poly-gathy and a pharisaical check for pre-gathy and a pharisaical check for pre-Miss Hope Morgan is expected home

serving the appearances of morality necessary to social stability while agreement to social stability Mr. Frank Goodwin of Cooksylle. The tride, who was given away by her father, Mr. D. E. Storey, was daintily arrayed in a pretty gown of white silk collenne and had orange blossoms in her hair. She carried a bouquet of white roses. The bridesmaid, Miss E. Voyle of Ordina beaked pretty in a gown of in most enthusiastic terms of the esses, the not all of them appear to be aware of the fact. Much is heard of the duties of the hostess, but little of the former's obligations.

From the instant an invitation of any kind is received the obligation begins. Whether one be bidden to luncheon, dinner or to make a lengthy visit, the request must be promptly answered—either refused or accepted, as the case may be. To leave an invisit, the request must be promptly answered—either refused or accepted, as the case may be. To leave an invitation open while waiting to see if one can accept is extremely rude, unless express permission has been given.

To-morrow evening's big concert in Massey Hall will receive the finishing touches at the final rehearsal this eventure. The large and cultured audience that listened to and watched the playing of De Pachmann in Massey Hall on both must stay away. The obvious touches at the final rehearsal this events of the content will be present. The phony Orchestra will be present. The program at the concert will be opened by a refusal from one, and this is not by a refusal from one, and this is not by a refusal from one, and this is not by a refusal from one, and this is not by a refusal from one, and this is not by a refusal from one, and this is not by a refusal from one, and this is not by a refusal from one, and this is not by a refusal from one, and this is not be followed by a tenor song by all the essentials of construction that f one is staying in the house the orchestra, followed by a tenor song by all the essentials of construction that make it possible for this piano to whole art of being a successful guest of the regular follow with a double Moszkowski numing the reach to the highest standards of the routine or that mapped out. One ber, and this again will be followed by measurement applied to piano buildis to conform in all ways to the regular routine, or that mapped out. One should be prompt at meals, should take great care not to interfere with the servants, the way of doing things or the hostess' private affairs. To be and a group of beautiful songs by the plano is found in large measure in the baritone, Claude Cunningham. The fact that from the time of orchestra will then complete the first the days of the older Heintzman, more part of the program with "Spanish than fifty years ago, right along Dances." The second part of the concert will be given up entirely to the real artistic spirit has been possessed performance of the beautiful "Joan of by the Heintzmans. In a very re-Arc," in which the entire orchestral and markable degree the musicianly and pipe organ, with the soloists, will support the fine chorus of the Toronto Oratorio Society, all under Mr. Sherlock's direction. The program will begin at a quarter after eight, at which man & Co. that De Pachmann, the time the coors will be closed, and as the opening overture will be the principal number by the orchestra, it is desirable that the audience be seated in good time. The program is timed for ment of a great state of the principal number by the orchestra, it is desirable that the audience be seated in good time. The program is timed for great and the principal number by the program is timed for great and the principal number by the orchestra in the program is timed for great and the principal number by the orchestra in the orchestra in the orchestra in the orchestra

Mr. Lavin's song is "Hilda-Vierge au Pale Sorire" (from "Sigurd"), by Mr. Cunningham's solos are: (a) "Autome," Faure; (b) "Trois jours de Vendange," Hahn; (c) "Le Sais tu Bien,"
