Since the commencement of the war there have been very large increases in almost every item of raw matrial used in the production of a newspaper and in the cost of labor. The difficulty and, in some cases, the impossibility of meeting these increases in cost has resulted in quite a large number of casualities in the ranks of Canadian newspapers during the past two years. This emphasizes the seriousness of the situation and the importance of considering it at the coming annual meeting.

Toronto Branch, C.M.A. Hold General Meeting

A cable was received in the city yesterday telling of the death from wounds of Pte. Henry Cottrell on May 26. He was wounded in the earlier stages of the present British advance. Before enlisting he lived with his mother at 17 Geoffrey street in this city, and he would have been 21 years old in June next. The dead soldier had been at the front 18 months, and was a driver of an ammunition wagon.

The scheme of the Toronto Housing Company for providing suburban community settlements for returned soldiers was brought before the meeting, and a resolution endorsing it was passed. Copies will be sent to the cabinet ministers.

Four resolutions that will be sent on to the conference in Winnipeg next month. A large number of members were in attendance with Major L. L. Anthes in the chair. The coming conference is of exceptional importance in order that proper policies may be laid down to meet after the war conditions, and the president asked for a large attendance from the Toronto Branch.

STERNBERG PUPILS SEEN IN FINE DANCE PROGRAM

Charming as an entertainment and, leserving of the highest encomiums of the season, was the program of classical and national dances, presented by Miss Sternberg's classes at Massey Hall last night. Over eighty pupils took part, ranging in age from five or six years upwards, and the dex-terity and grace which, in many in-stances, marked the work of the per-formers, called out the warmest ap-

exceptional skill in posture and posing, while the ballet was represented by some very fine toe and other work. National dances, as represented by the Highland fling and sword dance, were given with precision and spirit. The solo number, "Spanish Castanet Dance," by Dorothy Stone, was very attractive, as were also the "Pas de Bouquet" by Theckla Mundey and Margaret Franklin, and the Russian Mazurka by Andria and Jack Felton. "Sweet Rose Marie," a toe ballet, by Olive Blackhall, was one of the best things of the evening, also "The Fairy Olive Blackhall, was one of the best things of the evening, also "The Fairy Firefly" by Claire Nesbitt. The Real Secret of Rejuvenating the Face

She holds the true secret of facial rejuvenation who has learned how to remove the dead skin particles as fast as they appear. It's a secret anyone may possess. The aged, faded, or discolored surface skin may be gradually absorbed in an entirely safe and rational manner, by the nightly application of ordinary mercolized vax. Within a week or two the underlying skin, youthful and beautiful to behold, has taken the place of the discarded cuticle. So little of the old skin is absorbed each day there's no inconvenience at all, and no one suspects you are putting anything on your face. The mercolized wax, procurable at any drugstore (an ounce is sufficient), is applied like cold cream. In the morning it is crased with soap and water, it's the best thing known for freckles, blackheads, pimples, moth patches, liver spots and fine surface wrinkles.

For the deeper wrinkles and crowsfeet an excellent and harmless recipe is: Powdered satolite, one ounce, dissolved inche half pint witch hazel. Bathing the face in the solution produces quick and wonderful results. face in the solution produces quick and wonderful results. It is fine for seggy cheeks or chin.

Discrepancy in Charges Leads to Organization for United Protection of Interests.

Special to The Torento World.

Guelph, May 29. — A large and enthusiastic meeting of farmers in the vicinity of Guelph, interested in the production of milk, was held in the council chamber today. S. Young was appointed chairman and John L. Carter, secretary, of the meeting. The chairman explained that the object of the meeting was to try and arrive at some better, more business-like and uniform method of handling their products, especially in regard to the present price which varies to the dealer from \$1.40 to \$2.00 per hundred pounds.

from \$1.40 to \$2.00 per hundred pounds.

The whole question was thoroly discussed, after which it was decided to form an organization to be known as "The Guelph Township Milk Producers' Association."

The following officers were then elected: president, Sam Young; vice-president, W. Wyndham; executive committee, E. Dyson, Jos. Murray, S. Pinder, A. Dunk, H. G. Earl and the officers of the association; secretary-treasurer, John L. Carter.

After going thoroly into the question of the cost of production it was decided that the price to the retailer be \$1.80 per hundred pounds from the first of July till the first of October, at the barn, the price after that date to be set later. That means that dealers will be charged 4½ cents per quart.

The new permit order in connection with eligible men entering the United States is now working smoothly, according to Inspector M. B. Scarth, who has been making a tour of the border towns. During the first few days the law was new to both officers and travelers, and misunderstandings arose, but now the inspectors know the requirements, and the travelers are satisfied with the law on account of the times.

The inspector stated that 125,000 men of war age entered the States within a year, apparently in order to avoid their duty, and the general impression is that the government should have acted earlier.

Returned soldiers are being placed along the border, and one man will be placed on each of the steamers plying between Toronto and United States ports, in order to assist the officials.
