BEACHES L.O.L. 2274,

At the monthly meeting of the Beachs L.O.L. No. 2274 held in the Masonic Hall. Balsam avenue, last night, W. Steele, W.M. presiding, four candidates were initiated. W. Spence, W.M. of Parkdale Lodge, with a number of officers, were present and two members were exalted to the Royal Arch purple degree. Deep concern was expressed at the fact that the two brothers, Charles and William Ties, formerly actively identified with Beaches Lodge, now in France, had been severely wounded. HA. E. Clark gave an interesting report of the recent Lo.L. convention in Stratferd, and a substantial sum was voted to the Children's Lakeside Home.

On another day a small party of the enemy attempted in broad daylight to raid one of our posts situated in a crater. The operation caused them several known casualties and a hurried retreat to their own lines.

The small events which disclose the rence. One morning two of the enemy walked across No Man's Land into our trenches in the gray of the dawn. They stated that they were Poles and that for this reason they were very badly treated by their officers. Not only was their share of the scanty enemy rations curtailed, but they were given double tasks whenever unpleasant work was to be done. In our operations we succeeded in IN MEMORIAM.

For the most important of the week's events our men were divided into parties, each with its own objectives. None of them failed in their task, altho the enemy ine was strongly held and there was hand-to-hand fighting. The objective of this little enterprise was to kill Huns, and in this the raiders were eminently successful.

Harassing Tactics Succeed.

Compared with the great advance of the troops elsewhere these operations are mere pin pricks, but it must be remembered that they are all part of the great plan. Their value is not ade-quately represented by the mere record of the enemy casualties or dugouts tracts no greater attention, but it has secured us the unquestioned control that we have gained the upper hand Lodge Preston, No. 67, S.O.E.B.S., held its regular meeting last evening in the S.O.E. Hall, presided over by Brother E. Jay, president. The question of the annual demonstration was under discussion, it having been suggested that in-stead of holding it as usual, on July 1, another day should be chosen. After con-siderable discussion, however, it was de-cided to keep the same day. During the evening a letter was read from Brother Clerk, one of the members now at the front.

Lady Alexandra Lodge No. 9235, Manchester Unity, I.O.O.F., held a very successful whist drive last evening at the S.O.E. Hall, when about 60 were present. The proceedings were presided over by Bro. W. C. Schunck, grand secretary; Bro. T. Hastings, grand master, and Bro. H. P. Gilbert, deputy grand master. The proceeds are to be devoted to the patricic fund of the lodge, and it is hoped that a handsome sum will be realized. Among the visitors were Bro. S. Minutes at 12.11 p.m. at Front bearing of arms in the field, there was hardly a service which had contributed to maintenance of the cause of the allies in which women had not been as active and efficient as men. Wherever one turned might be seen women, who without detriment to the prerogatives of their sex, were performing work which three years ago would have been regarded as falling exclusively within the province of men. After the war questions would arise with regard to women's labor functions and activities in which the women must have a voice.

Mr. Asquith also supported strongly the other proposals for electoral reform, and expressed the opinion that the recommendation that all elections should take place on one day dealt with one of the greatest reforms which could be introduced. He understood that the life of the present parliament would be extended further until the and of November, and hoped til the end of November, and hoped that a new register on the lines of the reforms suggested would be ready should an election be necessary at that
