Mr. Macpherson stated that his firm intended manufacturing rubber drug sundries and auto tires which would require a building for the present, 160 ff. long and 70 ft. wide. "We intend commencing building operations immediately, so that we will be in a po-sition to manufacture by the first of March." he stated. After considerable discussion, council finally agreed to granting a fixed assessment of \$2500 for five years. A deputation representing the board of trade waited on the council asking for the appointment of a committee to go into the question of improving the town park, which included the suggestion of building a public bath. Council de-cided to have the members of the pro-perty committee meet the board of trade to discuss the proposed scheme fully. Jas.
