A meeting of about a dozen men in Runnymede district was held last night outside King George School and then carried on at Runnymede Library, with the object of taking formal action in protest against the erection of permanent school in the Harwood district. H. Hallett was chosen chairman for the meeting and C. Bennett secretary. An application was made to the trustees for the rescinding of the recent motion to apply to the township for power to issue debentures, and asking them to call a public meeting early.

LAKEVIEW LODGE MEET.

Over 125 were present last night at a meeting of Lakeview Lodge, No. 272, I.O.O.F., held in St. James' Hall, West Toronto. Bro. J. Hallett was commissioned as district deputy grand master for 1920-21. Bro. W. Brooks, grand secretary, officiating. The new official was presented with a district deputy's collar and also with a sovereign. The retiring master, Bro. John Carter, was also presented with a sovereign. The lodge decided to hold their picnic in High Park.

Applications for the installation of telephone in dwelling houses will only be accepted where the applicant is willing to share the line with at least one other party. It is understood that the party system now being introduced into this locality will not mean time affect existing contracts for private lines. Special provision has been made in the case of applications received for business purposes.

GARDEN PARTY SUCCESS

A successful garden party was held yesterday evening by the Mimico Presbyterian Church. The attractive features and the fine weather were responsible for a large attendance.

PORT CREDIT

"HENDERSON NIGHT."

The closing meeting of the season of the Mississauga Masonic Lodge, Port Credit, was held on Thursday under happy and pleasing auspices. The meeting was called "Henderson night" as a mark of welcome home to W. Bro. J. Henderson, on his return from a tour of Scotland. Coupled with this occasion was the annual seasonable strawberry banquet. A large number of lodge members were present to welcome Bro. Henderson, and the meeting took on the aspect of a "big night." The banquet was a huge success, followed by a fine program of vocal and musical talent. Thursday night's meeting marked the close of a most successful season; the lodge reopens in September.

HOME CLUB WINS.

The first friendly game between Port Credit Bowling Club and a representative team from an outside club was played at the Port Credit bowling green on Thursday night, the visitors being three rinks from High Park Club.

The play was good and resulted in a victory for the home club by a neat score.

The Port Credit Club is making progress and should be heard of during the season. The skips for the game were Messrs. Tidy, Duncan and Griffith.

ERINDALE.

U. F. O. HAVE GOOD TIME.

Under the auspices of the Erindale Club, a U. F. O. garden party was held last night at Erindale, an estimated attendance of about 4,000 being present.

Refreshment and amusement booths surrounded the grounds, and a large concert platform claimed much attention.

The chief speakers at the event were Premier Drury, Manning Doherty and Herbert Taylor, who all impressed with their speeches.

A musical and vocal program, including Frazz, the comedian, Le Roy Kenny, and Miss Tate, vocalist, was greatly appreciated by the large crowd.

The Oakville band and the Streetsville orchestra were in attendance, the latter coming in for a great deal of commendation.

LAKE SHORE

INCREASED VOLUME OF TRAFFIC

The increased volume of motor traffic on the Hamilton Highway yesterday was evidence itself that something unusual was taking place at some point of the road. Starting early in the morning a steady stream of vehicles was in evidence, even the overworked city jitney being pressed into service to convey the sporting enthusiasts and the treasure hunters to the scenes of pleasure and excitement at Hamilton.

Until about one o'clock in the afternoon the seemingly endless chain of cars kept rolling along, the lull in the afternoon seeming to be the interval of time needed to reverse the lever and set the procession rolling again on its homeward way.

A continual stream of headlight city-bound lighted up the highway until long after midnight, and the luck of the sports could almost be ascertained by their demeanor.

Few mishaps and no serious accidents are reported.

DANFORTH

The annual congregational garden party in connection with the Danforth Church was held on the grounds, Danforth avenue, when a large gathering of parishioners and friends were present. Supper was served in the parish hall by the ladies' auxiliary, after which games and other amusements were held on the grounds. Dancing was indulged in by the young people, and a musical program was rendered by the band of the Salvation Army. Among those present were Rev. F. E. Powell, rector, and prominent residents of the district.

YORK COUNTY ESTIMATES

York county estimates submitted yesterday are as follows: General purposes, \$111,875.62; Industrial Home, \$27,000; court house debentures and interest, \$48,577.73; road improvement debentures and interest, \$20,512.40; road improvement construction, \$130,000; road improvement maintenance, \$18,000; reduction road improvement indebtedness, \$15,000; total, \$420,046.76. This means, if applied to 1919 by comparison on equalized assessment, a rate of 6.97105 mills on the dollar.

The council was addressed by Prof. Zavitz of the provincial forestry department. He advised that the county outlay \$15,000 or \$20,000, and to employ a manager in view of the fire hazard.

COLOSSAL PROFITS BY KNITTING MILLS

business act for arbitrary price-fixing for resale. Details show that generous profits have been made by a number of companies dealing in this line of goods during the last few years, and that the average profit is much higher now than it was in 1910.

Earnings of Paton Company. Unusual conditions existing during the war, mills engaged in the woolen industry are shown to be failing off, and the trade of such mills becoming normal. Listed under this head are profits have been made by a number of companies dealing in this line of goods during the last few years, and that the average profit is much higher now than it was in 1910.

The board comments in this section that the removal of the import war tax has benefited woolen manufacturers from 2-1/2 per cent. to 4 per cent.

Average annual net profits for the past ten years on the investment that is on common stock plus surplus, are shown to be as follows:

Paton Manufacturing Co. 13.06 per cent.; Rosamond Woolen Company, 22.7 per cent.; Trent Valley Woolen Company, 11 per cent.; Brock Woolen Company, 15.7 per cent.; Harris and Mitchell Woolen Company, 17 per cent.

Summing up generally, the board of commerce says that "there needs be no doubt that what may be deemed unfair profits have been derived in all the textile lines. The board's present purpose is merely to disclose the outlines of its investigations and to point to the necessity for the continuation of its work."

Picking A Man To Beat Harding

"Bryan might swallow McAdoo, but we won't swallow Cox or Edwards. Cox is both able and popular; he would probably poll a larger vote than McAdoo, who has aroused opposition among the business interests of the country. If there is a deadlock at San Francisco a 'dark horse' may be nominated. John W. Davis has been mentioned as a possibility. Senator Underwood of Alabama, also he comes from the 'Solid South,' would make an ideal president"—thus The Birmingham Age Herald presents a bird's-eye view of the situation at San Francisco. And these are not the only men who have a chance, according to the American press.

Should there be a strong provision in the platform endorsing the League of Nations, with or without reservations? Should the platform contain a "wet" or a "dry" plank? Should there be an appeal to the labor vote?

In THE LITERARY DIGEST for this week, June 26th, the Democratic platform and the various planks that it should contain, as proposed by Democratic editors, is discuss, as well as a summary of the chances for nomination of various men who have been put forward.
