CANDIDATES CHOSEN IN ST. JOHN AND CHARLOTTE

Conservatives in St. John Nominate Dr. J. W. Daniel and Dr. A. W. Macrae as Their Candidates—Charlotte County Liberals Select W. F. Todd—Dr. Pugsley Speaks at St. Stephen.

At the Conservative nominating convention held in the assembly rooms of Keith's theatre Monday evening, Dr. J. W. Daniel, M.P., and Dr. A. W. Macrae, were chosen as candidates for the city and the county of St. John at the forthcoming dominion elections. W. Frank Hatheway and H. A. Powell were nominated as candidates for the county of Charlotte. Dr. Pugsley, who was present, declined to accept a vote was taken on the remaining two candidates, which resulted in Mr. Hatheway obtaining a majority of one. As, however, twenty-seven ballots through a misunderstanding had been cast for Mr. Powell, the vote was again taken, resulting in Dr. Macrae being chosen by a majority of four votes. The election was held in a very quiet manner. Speeches by those nominated were made during the evening.

Hon. Robert Maxwell, M.P., presided with W. H. Harrison, secretary. On the roll of delegates being called, Musquash No. 1 was the only district not represented. Nearly 200 delegates were present. The chairman appointed the following as scrutineers:—J. P. D. Tilley, Dr. J. V. McInerney, M.P.P., W. H. Thorne, James McInerney, J. A. Sinclair and R. B. Emerson.

Before calling for nominations two resolutions were put to the meeting. Mr. Emerson moved that the Liberal-Conservative party affirmed its confidence in and loyalty to the principles of the party and had unbounded confidence in the patriotism of their honored leader, R. B. Borden.

Miss E. Agar seconded the resolution, which was carried unanimously.

John E. Wilson, M.P.P., moved that the convention declare itself in favor of free election and free from bribery and that the executive be authorized to approach the executive of the Liberal party, in order that negotiations be entered into with a view to an arrangement to ensure that the next election should be run in an honest manner and in compliance with the election law. This resolution was also carried unanimously.

The chairman then announced that he was open to receive nominations for a candidate to contest the constituency of St. John.

Mr. Wilson nominated Dr. Daniel. On motion of J. B. M. Baxter, the nomination was declared. Dr. Daniel was declared unanimously elected.

For the city and county of St. John, W. F. Todd was nominated. Dr. A. W. Macrae was nominated.

Dr. Macrae said he would nominate Mr. Powell in reply, said that he would not seek to ask him to run and he would ask Mr. Macrae to withdraw his name.

Cries of "No, no!"

The chairman declared the three names in nomination and ballot papers were being distributed when Mr. Powell again definitely refused to allow his name to go before the convention.

While the voting was proceeding Dr. Daniel was called on and tendered the nomination for the city.

In reply he said he felt it a great honor. He went on to refer to the conditions at his election in 1904 and said he felt confident that they had victory within their grasp. Looking at the present conditions of the government many liberals were ashamed of it and the people of the country were determined to do away with the extravagance and corruption which had made Canada a byword.

At this juncture Dr. Macrae announced that Mr. Hatheway had polled eighty-four votes and Dr. Macrae eighty-three. He said 184 ballots had been cast but a number had been given for Mr. Powell, and these had been regarded as spoiled.

William Shaw said as these ballots had not been counted, in all fairness the election should be held over again.

Ald. Baxter said that all things in so momentous a question the greatest care should be exercised no matter whom it affected. It was clear that the candidate should receive 98 votes to secure election. Mr. Powell's withdrawal had not been made clear. He moved that the committee be requested those nominated could then say if they would accept.

The chairman said there could be no doubt Mr. Hatheway had not a majority of the delegates. The motion to reopen the nominations would be in order. It was carried.

Mr. Powell—"I have only one word to say. What has been done has been done honestly and fairly. Absolutely, unqualifiedly and emphatically decline to be nominated. I am glad such a good man as Mr. Hatheway has been elected."

Cries of "No, no!"

The chairman then announced that the names of Messrs. Hatheway and Macrae were before the convention and the calling of the roll and balloting proceeded.

When the scrutineers returned, Mr. Emerson announced that 184 ballots had been cast, of which Dr. Macrae had 94 and Mr. Hatheway 62.

The chairman declared Dr. Macrae elected and on motion of A. H. Clark the vote was declared unanimous. There were a few dissenting voices.

Dr. Macrae expressed his hearty thanks for the nomination. He was proud as a young man to bear the burden of a fight with no mean antagonist. It would be a pleasure to go into a fight against Hon. William Pugsley. He said that he could be compared to the minister of public works in the way he had conducted his political career.

CHIEF CLARK'S REQUEST FOR SUPPORT IN DOBSON CASE IS TABLED BY THE SAFETY BOARD

At a meeting of the board of public safety yesterday afternoon a verbal request preferred by Chief Clark through recorder Skinner, that the board should by him in a threatened suit for false arrest by Thomas H. Dobson, was not acted on. It was decided, on motion of Ald. Elkin, to lay the request on the table and that the city take no action in the matter.

It was decided to pay the appraisers' award of \$5,000 on the Armstrong-Lang property at Greenhead provided a clear title can be given to the city. It was decided to grant renewals of lease to Thomas Reid for his lot in Mecklenburg street at an advanced rental of \$20 a year, and to Alice B. Burns, of her lot in Brooks Ward at \$10.50. The St. John Real Estate Company had offered to lease the lot of four lots at the foot of Duke street. This was refused and the council will be recommended to appoint appraisers for the lots with a view to the city acquiring them. An application from Frederick Fullerton for the lease of a vacant lot in Tower street, Carleton, was laid over for a report from the director at the next meeting.

Policeman E. Nelson sent in an application for full pay for thirty days lost through sickness during July and August. It was decided to grant him half pay.

T. Ketchum sent in his resignation as keeper of the city hall. It was accepted and the common clerk was directed to write him a letter in appreciation of his long services.

A letter from A. C. Fairweather, asking that the award of the appraisers on the Armstrong-Lang property at Greenhead be paid, was read. On motion of Ald. Elkin it was decided to pay the award. A clear title can be handed to the city.

It was announced that W. J. Irons was present at a meeting of the Cornet Band and it was decided to hear him. He pressed the request of the band for the rent of a room in the City Hall. He was granted the request and the band had been unfairly treated in the matter and asked that it be decided one way or another.

After Mr. Irons had retired, the chairman explained that the matter had been left in the hands of a committee of which he and Ald. Bailein were members. They had decided against granting the request. Mr. Irons felt that he had been unfairly treated in the matter and asked that it be decided one way or another.

Ald. Bailein said that as a general thing he thought that Mr. Irons was a good fellow and that he should be allowed to stand behind his officials in the city.

At this stage of the meeting Recorder Skinner, who had been called to the bar, before said he had met Chief Clark who asked him to ask the board if they would stand behind him in a threatened suit for false arrest by Thomas H. Dobson, who was arrested on June 22.

GIVEN UP BY DOCTOR

No word of ours could be more convincing of Psychine's power to make the sick well than those of John A. Galbraith, a well-to-do farmer of Plympton, Ont. He says: "I did not seem to get any strength after the attack of pneumonia. One doctor said that tuberculosis had developed, that I could not recover, and advised me to settle all my affairs as quickly as possible. This was the condition in which I was when my pastor, Rev. C. E. Burrell, of the Baptist Church, advised me to try PSYCHINE, and procured for me a trial bottle. This was in May, 1908, and at that time I was reduced in weight to 120 pounds.

"The PSYCHINE did good from the start. I gained weight at the rate of half a pound a day until I went up to 150 pounds, steadily regaining my strength and feeling better. I actually had to have my clothes enlarged, not only in the chest, but in the arms, and I was able to perform my usual work. I have resumed my work and have gone through a severe and sickly winter with nothing worse than a cold."
