MITCHELL'S EXCHANGE GIVES TORONTO \$4,000 AND ALSO TWO PLAYERS

F. Wins a Race—Golf Matters.

Fred Mitchell, the Toronto catcher, who was twirler of the Yapp and Jope battery of the local Alerts eight years ago, has been sold to the New York Americans by President McCaffrey of the Toronto club, for \$4,000, and two players. However he will finish the season with Toronto.

This is unfortunate for Toronto, as Mitchell has been the standby of all standbys for years. But it was inevitable as Mitchell's excellent backstop work, and especially his heavy hitting, have put him where several big league teams were not on his trail, and a draft was made. The Toronto team in addition to the money, will get two men, playing regularly with the New York Americans this season.

Fred Mitchell was a catcher years back, but as a twirler he did well with Boston, Brooklyn, Philadelphia, and later Toronto. Harry Niles, of the Boston Red Sox, is going at a lively clip as an outfielder. The Boston outfield is one of the best in the country. This Speaker is a better man on a fly ball than any in the American league today, not excepting Cobb, Crawford or any of them, claims the Boston Herald. Gessler is invincible and fast.

Claude Rossman of Detroit, who was to replace Tom Jones on first base for the St. Louis Americans, has not arrived, and rumor says he will insist on an outfield job or disregard the transfer.

The various newspapers of St. Louis are serving out long articles of eulogy of Manager Lake's successful efforts, and crown the Boston manager as the king of all scouts and managers.

President John A. Heydler of the National league, announced the following contracts and releases on Monday:

Contracts—With Cincinnati: C. K. Carr, released; with St. Louis, W. J. Barbeau and Alan M. Storke (both assigned); Pittsburgh.

Releases—By Boston (unconditionally): Claude C. Ritchey, to Lynn, New England league; Thomas Tuckey and Fred B. Stern, by Pittsburgh to St. Louis, National league; W. J. Barbeau and Alan M. Storke; by St. Louis to Pittsburgh, Robert Byrne.

At Montreal on Monday infielder Vaughan, bought from Stallings some time ago, reported to Toronto. Catcher Starnagle, owned by Brooklyn, and loaned to Toronto, and later Montreal, has been taken back by the Superbas.

Word has been received in New York that Peter Jones, former manager of the Chicago White Sox, who retired from the game last fall to go into the lumber business in Oregon, is anxious to buy the Boston National league club outright, or become a part owner and manager of either the St. Louis or Boston club.

It is said on the best of authority that Jones has been in communication with all of these clubs, with the idea of arriving at some sort of a deal.

The Ring
Boston, Aug. 24.—Well known Boston hours contributed twenty-nine rounds of fast fighting at the opening boxing show of the season at the Armory Athletic Association tonight. In the star bout Honey Melody, claimant of the welterweight championship, went against Billy Rolfe. Rolfe forced the fighting throughout, and except in a couple of the twelve rounds had the better of the bout. Two judges disagreed on the decision, and before a finality called the match a draw.

Johnny Lynch, a clever featherweight, put up a game battle against a heavier opponent in Matty Baldwin and worried the Charlestown pugilist for eight rounds. Lynch only gave up when his hands were thrown up the sponge.

Larry Conley, boxing instructor at Cornell University, went against Young Jack Johnson, colored, for eight rounds. The decision was given to Johnson.

An innovation was the rendering of the decision by the referee to decide in case of tie.

Bouts decided on Monday night were: Memphis, Tenn.—Young Pierce of Philadelphia was given the decision in eight rounds over Mexican Kid in the Phoenix Athletic Club.

Troy, N. Y.—Kid Henry of Troy knocked out Willie Brennan of New York in the eighth round at the Grogan A. C.

New York—Jack Denning put a crimp in the reputation of Jack Curley before a big crowd of Olympic A. C. members. Denning had the better of Curley throughout the 10 rounds of fighting. In the third round he put Curley down to the floor and had him hanging on at the end of the round.

San Francisco—Jack Johnson, who arrived in San Francisco on Monday night, has taken training quarters in Oakland and will at once begin preparation for his coming battle with Ketchel.

Jack O'Brien in letters to friends in Philadelphia, says that prospects of getting profitable matches in California look good.

Young Erne has returned to Philadelphia from the Pacific coast, where he was beaten by Lew Powell. Erne, after meeting the winner of the Locke-Willette battle on Sept. 1 and Young Loughrey on Sept. 4, will go back to meet Powell in a return match.

Buck Cornelius, the backer of Peter Maher when the latter first came to America, is at the head of a new boxing club in Pittsburgh. The first show is to be held in the open air on Labor Day, with Abe Attell as one of the principals.

Ray Bronson, the Indianapolis lightweight, has been invited to go to England

in September by Freddie Walsh, who boxed Bronson in New Orleans. Bronson will go immediately after his fight with Packey McFarland.

Johnny Frayne, who bested Dick Hyland the other night, and Johnny Carroll, a good bantam, are coming from the Pacific coast for matches to the east.

George Goulding, the Toronto walker, has received a card from Bobby Kerr, saying: "Congratulations on your recent walk in the east. They are talking about you over here. Will be back soon."

The Turf
Warren F., the bay gelding, driven by Frank Fox on provincial tracks, won the 1.18 pace at St. Catharines, R. on Monday.

Billy Fatten, a Biogen gelding captured the first heat and third in the second and was withdrawn owing to nose bleed. Warren F. took the second, third and fourth heats and first money. Four horses started. Speculation on the races was forbidden by the authorities.

Thirteen days of fall racing are announced for Louisville by the Kentucky Churchill Downs track. The dates are Sept. 25 to Oct. 9.

Bangor, Me., Aug. 24.—About 5,000 people attended the Eastern Maine State Fair opening today and were well entertained. The races were the chief feature as usual, and on this occasion the sport was the best ever furnished on an opening day.

The 2.24 pace was split into two races, there being thirteen starters, so that, with the 2.40 trot and 2.30-2.33 combination, there were four events on the card. Three of these events were concluded, but owing to darkness the 2.30-2.33 went over after two heats until Wednesday.

Favorites were uniformly successful, although every winner had to work for his money. Summaries:

Cricket
Dublin, Aug. 23.—The Gentlemen of Ireland Cricket team, which will sail for the United States next Thursday for a series of four matches with the New York and Philadelphia, have been much weakened by several withdrawals, including R. H. and T. D. Lambert, Ireland's best batsmen and G. W. F. Kelly and T. C. Ross, the premier bowlers.

Word has been received that the Fredrick cricket team will be here for a game with the St. John team tomorrow. The local men will meet for practice on the Every Day Club grounds tonight.

Montreal, Aug. 24.—Canada scored an easy victory in the international cricket match against the United States eleven, winning out on the two innings concluded this afternoon by a margin of 143 runs.

Canada today ran up an over-night score of thirty-one, for the loss of one wicket, into 194 runs, the innings ending at 3 o'clock this afternoon.

United States went in faced with the almost hopeless task of 208 runs to win. After the weak showing of the eleven in the first day's play this was practically hopeless and a victory for Canada was almost certain.

Evans and Fellows proved the only batsmen to improve in their work of Monday, the former scoring 42 runs and the latter 20. After a little more than two hours at the wicket, the side was dismissed for 122 runs.

At the second hearing of the Mercury A. C. and Northwestern A. C. dual meet J. J. Lee, the Bostonian, who recently turned professional, and several members of the Mercury Club of Yonkers appeared. The hearing brought out the fact that Lee had got more than his expenses when an amateur on May 29 in the Washington Post marathon in Washington. Lee denied that he had got \$35, and said that he had expenses amounting to \$17.50, and he had told the committee that he had got a check for \$17.50 before going to Washington from Mr. McShea.

John J. Daly, Irish-American A. C., was also before the committee regarding his expenses. He said he got only \$25 and nothing more. The committee has a letter from Mr. McShea of Washington giving altogether 21 names of eastern athletes who received expenses that day to Washington. The committee has not decided the case, but will look into the matter as to how the athletes were paid in Washington.

Mr. Lee said he thought it unjust that he should be called after he had turned professional.

MORE THAN 2,000 MEMBERS NOW

Moncton, Aug. 24.—Important amendments and alterations to the constitution and perfecting organization will be the principal matters engaging the attention of Canadian brotherhood of Railway Employees which opened its first convention here this morning. Three sessions were held today of introducing local or controversial matters for discussion at the meetings.

They had asked him if there was no way in which the matter could be cleared up and he had told them that St. John would not send delegates to the maritime board as long as that body was conducted as at present.

For the last four or five years, Mr. Harvey, of the local board of the maritime board, had been taken too much in discussing things which were of no practical importance to the maritime provinces. He drew attention to the agenda of the meeting, just closed as a fair sample. There were in it, he continued, with but one or two people, excepting no subject which should properly have come up for consideration at all by such a body. In conclusion, he said, the agenda of the meeting, which the action of the St. John delegates would lead to the reform of the maritime board, should be made very influential but it must get away from sectional questions and local issues.

The Canadian Brotherhood of Railway Employees was organized last October with a membership of 300 and has rapidly grown until today it has passed the 2,000 mark. Since the first of the year large divisions have been organized at Halifax, St. John, St. John's, New Brunswick, New Glasgow, Charlottetown, Bridgewater.

The reports submitted show the brotherhood affairs, especially finances, in a flourishing condition. The convention will close tomorrow when the election of officers takes place.

WEDDING HASTENS HER RECOVERY

Boston, Aug. 24.—III in bed with typhoid fever, Miss Sarah R. Dienstadt, of 16 Massachusetts avenue, Lynn, was married to Sumner R. Attwill, also of that city. The wedding took place Saturday evening, but the friends of the couple were not informed of it until yesterday.

Miss Dienstadt and Attwill had been engaged for nearly a year and the wedding was set for Sunday. Wednesday Miss Dienstadt was stricken with typhoid fever. Her condition grew worse rapidly, and on Saturday the doctor ordered her to be taken to the Lynn Hospital. Mrs. Dienstadt broke down at the thoughts of spending in a hospital the day on which she was to have wed, and matter against her so that her condition became still more serious. Attwill also was very much averse to her being taken away. After a consultation they decided that if she did leave it would be as Mrs. Attwill.

The Rev. Arthur E. Harriman, of the East Baptist church, was called in and the ceremony was performed in the presence of Mr. and Mrs. Arthur Green, with whom Miss Dienstadt lives, a doctor and a nurse. After the ceremony the bride brightened and her condition improved so much that the physician decided she would need to go to the hospital after all. She is now on the road to recovery.

The bride is the daughter of Mrs. Geo. Dienstadt, of St. John's county, Nova Scotia, and is a shoe worker. Attwill is employed by the United Shoe Machinery Company.

A Modern Cottage, Estimated Cost \$3,000
DESIGNED BY CHAS. S. SEDGWICK, ARCHITECT.

This low style of Gambrel roof cottage is well adapted to a city or town lot. The double pitch of roof allows full, square-ceiling rooms in the second story and at the same time a low roof, taking little material and being economical to build. There is another feature in favor of this form of construction that is not often thought of. By reason of the low double pitch of the roof the frame is very rigid and strong to resist heavy winds.

The size of this cottage is 22 feet by 41 feet, exclusive of piazza, gable projection. There is a basement under the whole house, with laundry under kitchen and rear entrance from grade to kitchen and basement.

There is a liberal piazza extending around the corner of living room and back to dining-room, with an entrance from porch to dining-room. There are four rooms on the first floor, one for bedroom, one for bathroom, one for living room, and one for dining room, with ample closets. This cottage can be built for a sum not exceeding \$3,000, exclusive of heating and plumbing. The roof shingles are stained and the house painted in light color to suit the taste.

J. N. HARVEY TALKS ON BOARD OF TRADE ACTION

J. N. Harvey, of this city, has returned from Charlottetown, where he attended the recent session of the Maritime Board of Trade. Speaking of the action of the St. John delegates in announcing the withdrawal of the local board from the maritime board, he said he was convinced it was the only wise step to be taken under the circumstances and the only thing that would save the maritime board from sinking into a rut. As a proof of this he said the maritime board had already appointed a committee whose duty it will be to strike all topics of a purely sectional or controversial nature from the agenda. Mr. Snowball, the president of the maritime board, has also asked to meet the council of the St. John body to talk matters over.

At the meeting of the maritime board, Mr. Harvey said, that St. John, in taking the action it did, was acting from sectional prejudice. However, speakers had taken that ground at the meeting but Mr. Harvey pointed out that he had made them acknowledge that the St. John delegates had never been guilty of introducing local or controversial matters for discussion at the meetings. They had asked him if there was no way in which the matter could be cleared up and he had told them that St. John would not send delegates to the maritime board as long as that body was conducted as at present.

For the last four or five years, Mr. Harvey, of the local board of the maritime board, had been taken too much in discussing things which were of no practical importance to the maritime provinces. FOUND WIFE AT CIRCUS
The police here were called upon yesterday to take a hand in the domestic affairs of a Montreal couple. The wife, Mrs. E. Kewell, who has held the office of treasurer before, was unanimously elected for another term. The appointive officers will be appointed by the grand master of the order, and will be communicated to the grand lodge at the opening of this afternoon's session, when all the officers will be installed.

With the burial of the dead strikers and the finding of the additional bodies came a truce in hostilities. From daybreak to nightfall not a pistol shot was heard, neither was an arrest made.

The striking men and their sympathizers during the day kept to themselves and even gave up a mass meeting planned for the late afternoon, as they believed any gathering of the workers could do no good at this time. Eugene V. Debs, the Socialist orator, was in McKees Rocks to address the strikers, but he decided that words were of little avail now as the riots of Sunday night had for once and all placed the strikers in the position of outcasts who are all but lost and on every hand tonight it is conceded that the strikers have lost their fight. The Pressed Steel Car Company plant today was in operation with over 1,000 men at work.

WEDDINGS
Fitzgerald-Flaherty.
A very pretty ceremony took place yesterday in the pre-arranged, Chatham, when Miss L. Fitzgerald, daughter of James Fitzgerald, of that place, was married to Frank B. Fitzgerald, of this city. Rev. M. A. O'Keefe celebrated nuptial mass on the occasion, assisted by the choir of the Children of Mary. The wedding march was played, as the wedding party were coming up the aisle, by Miss Lawlor. The bride wore a gown of cream satin with veil and orange blossoms and the bride carried a bouquet of white carnations and chrysanthemums. The bridesmaid, Miss Carrie Harriman, was dressed in a pink dress and carried a bouquet of white carnations and chrysanthemums. The groomsmen were in black King-borough hats. She carried a bouquet of pink carnations with china asters. The groomsmen were John P. Fitzgerald, brother of the groom. Immediately after the ceremony a wedding breakfast was served in the home of the bride, after which Mr. and Mrs. Fitzgerald left on a trip to Boston and New York. On their return the newly married couple will reside in St. John. The groom's present to the bride was a pearl bracelet, to the bridesmaid a pearl hoop ring and to the groomsmen a ruby stick pin.

Christie A. Wilson and Ethel M. DeLong, both of this city, were married last evening at the Victoria street United Baptist parsonage by the Rev. B. H. Nobles. The ceremony took place at 8 o'clock. Two young couples were unattended. They will live in Adelaide street.
