The Mainspring of the body

Health Depends On The Blood-and "Fruit-a-tives" Insure Pure, Rich Blood.

Correct time hinges on the mainspring of your watch. Gold cases and jeweled monograms look handsome—but it is the homely old steel mainspring that sends you to work on time, and prevents you from

that sends you to work on time, and prevents you from missing the train. Blood is the body's mainspring. People lose arms and legs-eyes and ears-even the entire stomach. But you've got to have good red blood, to have good health. Pruit-a-tives give it to you. Just see how necessary the blood is. Every organ in the body depends on the blood for its nourishment. It supplies gastric juice to the stomach to assist di-gestion. After food is properly digested, it takes up nourishment from the intestines and builds up flesh and strength. Prick the skin at any point, and blood will flow. But-if the bowels don't move regularly, they

up the bowels—strengthen and invigorate them so they move regularly every day. They keep the kidneys working properly. With all the im-purities of the body gotten rid of as Nature intends, there's none left to taint the blood. That is the Fruit-a-tives way of cleansing and purifying the blood—and it is the only way to get the pure, rich blood that every man and woman and child must have to be well and keep well.
