AFTER TACK SPREADERS

A meeting of the New Brunswick Automobile Association was held in the board of trade rooms last night. Reports were received from a committee, and a Montreal detective, who have been at work trying to apprehend the person, or persons, who placed tacks and logs on the Westfield road. While it was shown that there was suspicion resting on certain persons, there was not evidence enough to justify an arrest. The investigation has not closed as the association will continue with the work. New tags have been presented to members of the Association for their cars, and the old round tags given in previous years will not be recognized in the future. Among other matters discussed was that

CHILD'S TONGUE BECOMES COATED IF CONSTIPATED

When Cross, Feverish and Sick Give "California Syrup of Figs."

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty the bowels and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sours, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally. breath is bad, system full of cold, has some throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Millions of mothers give "California of California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.

Baptist Ministers Meet.

Rev. David and Mrs. Hutchinson entertained the Baptist ministers and their wives yesterday afternoon and at supper last evening. The gathering, which is held once each month with one of the Baptist clergymen, took the form of a literary meeting in the afternoon. Rev. F. P. Dennison read a paper on The Relation of the Baptist Churches to the Convention. This was followed by a discussion of the paper, which was well prepared and very interesting. It was decided to hold special Thanksgiving

Day services, 8 o'clock Monday evening in the Waterloo street Baptist church. Rev. J. B. Gammon, superintendent of home missions, will preach the Thanksgiving sermon. The clergymen, with their wives, who were present were: Rev. J. H. Jenner, Rev. P. R. Hayward, Rev. S. S. Poole, Rev. D. J. McPherson, Rev. F. W. Wentworth, Rev. F. P. Dennison and Mr. and Mrs. Hutchinson.

To Discuss Assessment.
President C. H. Stevens presided at the meeting of the Trades & Labor Council held last evening. A number of delegates were initiated. It was decided that the report of the taxation commission would be brought up for discussion at the next meeting. The secretary of the council was authorized to communicate with the common council in regard to the C. P. R.'s violating the head tax clause. The secretary was also authorized to communicate with the commissioner of public safety, requesting him to appoint a local man instead of an outsider as electrical inspector.

Seventeen French brigadier generals have been placed on the reserve section of the French army.

WILL YOU COME AND SEE THE NEW STYLES IN THE NEW FURS

AT

H. Mont. Jones'

The model Coats and Sets we are showing are happy combinations of smart styles and utility; where two furs are employed in one garment, the contrast is lovely and in perfect taste and prices are amazingly small even in face of prevailing war prices.

And you can apply attractiveness to the styles — the exclusiveness, the quality, the values, the prices — and any other point in your own good judgment you wish to.

We invite a visit — for comparison, inspection and criticism — if you will.
