MR. CHANDLER REFUSES AND THEN RECONSIDERS

That \$2,903 Dalhousie Payment—Some Interesting Queries in the Legislature

Fredericton, March 12.—W. B. Chandler, K.C., the commissioner appointed to investigate the various departments of the provincial government, wrote a letter yesterday refusing to inquire into the charges preferred by E. S. Carter, Liberal organizer, but later, in a personal interview with Mr. Carter, asked for time to reconsider.

Mr. Carter's request was for an inquiry into the charges that the Dalhousie Lumber Company had paid to W. H. Berry \$2,903.22, in a stampage account, which has not since been accounted for in the receipts of the province.

Fredericton, N. B., March 12.—There was a half hour session of the legislature this afternoon and then adjournment until Monday evening at 8.30. During the brief time the house was in session the opposition members from Madawaska were heard from again with some pertinent inquiries into the business of the province.

Mr. Dugal asked for information respecting the cost of the royal commissions and other expenses of the investigation into the charges preferred last session concerning crown timber limits and the Valley railway construction. Incidentally he inquired how the expense was divided and what amount had been paid upon each account.

Another question concerned the amount of railway funds now in the hands of the Prudential Trust Company, and how they are invested.

Whether the province has been called upon to pay any interest because of its guarantee of railway bonds, was the matter of another of Mr. Dugal's questions.

Mr. Pelletier inquired as to the cost to date and at completion of the new steel bridge at St. John, and when it would be ready for traffic; also as to what assistance, and in what form, the province extended toward recruiting the 26th and 55th battalions.

Hon. Mr. Baxter introduced a bill to amend the act respecting partnerships, which he explained was to do away with the necessity for publishing the notarial certificate of the execution of partnership agreement in the Royal Gazette.

Mr. Lockhart presented a petition of the city of St. John in favor of a bill to amend the acts relating to civic elections in that city.

Hon. Mr. Wilson introduced a bill to authorize the city council of St. John to grant a superannuation allowance to William Walker Clark.

Hon. Dr. Landry introduced a bill to amend the acts respecting taxation of debentures, report on education, provincial hospital, Jordan Memorial Sanatorium, valuation of real estate in Westmorland, Sunbury and Albert counties.

MRS. LYON'S ACHEs AND PAINs

Have All Gone Since Taking Lydia E. Pinkham's Vegetable Compound.

Terre Hill, Pa.—"Kindly permit me to give you my testimonial in favor of Lydia E. Pinkham's Vegetable Compound. When I first began taking it I was suffering from female troubles for some time and had almost all kinds of aches—pains in lower part of back and in sides, and pressing down pains. I could not sleep and had no appetite. Since I have taken Lydia E. Pinkham's Vegetable Compound the aches and pains are all gone and I feel like a new woman. I cannot praise your medicine too highly."—Mrs. AUGUSTUS LYON, Terre Hill, Pa.

It is true that nature and a woman's work has produced the greatest remedy for woman's ills that the world has ever known. From the roots and herbs of the field, Lydia E. Pinkham, forty years ago, gave to the world a remedy for their peculiar ills which has proved more efficacious than any other combination of drugs ever compounded, and today Lydia E. Pinkham's Vegetable Compound is recognized from coast to coast as the standard remedy for woman's ills.

In the Pinkham Laboratory at Lynn, Mass., are files containing hundreds of thousands of letters from women seeking health—many of them openly state over their own signatures that they have regained their health by taking Lydia E. Pinkham's Vegetable Compound, and in some cases that it has saved them from surgical operations.

RECENT DEATHS

The death of Mrs. Hannah Flewelling, wife of the late Enos H. Flewelling, took place at the Old Ladies' Home on Thursday. She had been living at the home for thirteen years. Formerly she resided at Clifton, where she had the distinction of being the second oldest resident, having nearly reached her 92nd birthday. She is survived by two children, Mrs. A. F. Wetmore, of Clifton, and John R. Flewelling, residing in Cambridge (Mass.), ten grand children, and thirteen great grand children. Funeral services were conducted at the home yesterday morning at 10.30 o'clock by Rev. H. A. Gody, following which the body was conveyed on the noon train to Clifton, where interment took place yesterday afternoon.

The death of Alonzo B. Gardner occurred last night at his residence, 5 Celebration street, after a short illness with pneumonia. He was in his 70th year and is survived by his wife, one son, Robert O. Gardner, of Montreal, and by three daughters, Mrs. Alice M. MacLain at home, Mrs. Beverly I. Leonard of this city, and Miss Zephia M. Gardner, superintendent of nurses in the Consumptive Hospital of Boston.

The late Mr. Gardner was a native of Montreal, and came to this city twelve years ago, to take charge of the tanning department of Peter's Tannery, where he remained a valued member of the executive staff until his last illness. He was a man of fine character, and was highly regarded by a large number of friends and business acquaintances. He was a regular attendant at the Centenary Methodist church.

The funeral will take place on Monday at 2.30 from his late residence. Interment will be in Montreal.

Matthew Robinson, of Rockville, near Sussex, aged fifty-nine years, died yesterday. He leaves his wife, one daughter and one son.

The death of James McLay occurred recently in Laramie, Wyoming. He was president of the McLay Hurling Sheep Company and, before moving west, was for several years associated with the Chamcook farm at St. Andrews. He was a frequent exhibitor of live stock at the St. John exhibitions.

John Drury, manager of the Consumers Cordage Company of Dartmouth, N. S., died yesterday, aged 64 years. He is survived by his wife and two sons.

At the Hotel Dieu, Chatham, on Monday evening, Mrs. Agnes Robinson, widow of William Robinson in the 79th year of her age. She is survived by one sister, Miss Margaret Armstrong, with whom she lived.

How to Make Your Hair Beautiful

Ten Minutes' Home Treatment Works Wonders, Stops Falling Hair, Itching Scalp and Dandruff, and Makes the Hair Soft, Brilliant, Lustrous and Fluffy.

Better than all the so-called "hair-tonics" in the world is a simple old-fashioned home recipe consisting of plain Bay Rum, Lavona (Compo), and a little Menthol Crystals. These three mixed at home in a few minutes, work wonders with any scalp. Try it just one night and see. Get from your druggist 2 oz. Lavona, 6 oz. Bay Rum and 3/4 drachm Menthol Crystals. Dissolve the Crystals in the Bay Rum and pour in an 8 oz. bottle. Then add the Lavona, shake well, and let it stand for an hour before using. Apply it by putting a little of the mixture on soft cloth. Draw this cloth slowly through the hair, taking just one small strand at a time. This cleanses the hair and scalp of dirt, dust and excessive oil and makes the hair delighfully soft, lustrous and fluffy. To stop the hair from falling and to make it grow again rub the lotion briskly into the scalp with the finger tips or a medium stiff brush. Apply night and morning. A few days' use and you will not find a single loose or straggling hair. They will be locked on your scalp as tight as a vice. Dandruff will disappear and itching cease. You will find fine, downy new hairs sprouting up all over your scalp and this new hair will grow with wonderful rapidity.

Any druggist can sell you the above. The prescription is very inexpensive and we know of nothing so effective and certain in its result.

GENERAL ALDERSON CONDEMNED BOOTS

Why Militia Department Sent 40,000 Pairs of Overshoes to Salisbury Plain

Evidence that General Alderson, commander of the first Canadian contingent, had himself condemned the footwear served out to the first Canadian contingent as unsuitable for the service they were required to give, as Sir George Perley had cabled Sir Robert Borden to the same effect, and that the militia department had thereupon sent 40,000 pairs of overshoes which were found not to "compensate for the faulty construction of the boots," was the feature of Wednesday's sitting of the parliamentary boot committee in Ottawa.

The evidence heard was on the whole perhaps the most important so far. It was brought out that a week before the war broke out the Militia department had been advised by Col. Landry, commanding the 5th division, that the boots which were being then issued were not strong enough for the wear to which they were subjected under ordinary conditions; that within three or four months after hostilities commenced complaints as to the boots had been brought to the attention of the department by Hon. J. D. Reid, Minister of Customs; Col. W. S. Hughes, of the 2nd Battalion at Kingston, brother of the Minister of Militia; General Lesard and others. Then representations were received from General Alderson and Sir George Perley. It was said that though the department was now considering a new boot specification, it still had only old boots and supplied the force of 5,000 men which had just reached England, with them.

CANADIANS DEAD IN WAR

NOW REACH TOTAL OF 159

Ottawa, March 12.—The death roll of the first Canadian contingent including the Princess Patricia's has now mounted up to 159. Of these 89 have been killed in action while 101 have died of diseases or accidents. The total number of wounded is well over the 500 mark. The daily lists of killed and wounded are now heavier than ever before since practically the whole of the first contingent and the Princess Patricia's are now right at the front.

The Happiest Baby in Canada

A Baby to be proud of! Contented, healthy and sturdy—never peevish, never ailing—just as happy as the day is long. This is how Your Baby will be if only you are careful about his food. A Tonic of Proven Value

Wilson's INVALIDS' PORT

à la Quina du Pérou

EVERY successful Preparation brings forth its crop of cheap imitations, and Wilson's Invalids' Port has proved no exception to the rule. Imitations are worthless, many are positively dangerous, and should be rigorously avoided. Wilson's Invalids' Port has been honestly and pharmaceutically prepared for a quarter of a century and has never varied in the quality and blend of its pure Oporto Wine and Peruvian Cinchona Bark. It was destined from the first to achieve the highest pinnacle of fame and to stay there. It is recommended by more physicians of note than any other tonic on this market has ever been.
