### FOUR THOUSAND TICKETS OUT FOR FAIR GROUND VIEW

There'll be a Big Gathering on Exhibition Grounds This

Judging by the great demand for tickets, and the large number issued, there should be a big crowd of people at the exhibition grounds this afternoon to view the work which has been done in the last few months, and the many changes which have been affected in the appearance of the buildings and grounds.

Nearly 4,000 people have been given free tickets for the public reception opening this afternoon at 4, and lasting until 6, and it is thought that a great many more will take advantage of the opportunity and visit the place.

Only another fortnight remains in which the books of five tickets may be bought, as they will be called in in that time. This afternoon they will be on sale on the grounds.

### HEAD BOUND UP: **BLOW FROM PAVING BLOCK THE CAUSE**

Wm. Allan Tells Police Court of Attack Upon Him in Main St.

the Campbellton relief committee the following:—Six large packing cases of clothing and bedding, four barrels of clothing, tinware and earthenware, and eight bedsteads.

It is expected that no harvesters' excursions will be conducted this year from the maritime provinces, although no definite word has yet been received at the local C. P. R. offices. The belief, it is announced, is that enough laborers can be had from Ontario, Quebec and the western provinces to supply the demand.

MISS NASE Was remanded until other witnesses could be brought.

Allan said he did not see Hennessy throw the granite block, but bystanders told him Hennessy had done it...

Hennessy was remanded until other witnesses could be brought.

Alex. Breen and Edward Richards were fined \$4 and Richard Galloway \$8 on charges of drunkenness. Galloway was found in the Old Burying Ground, and this was the reason for the penalty being heavier in his case.

A fine of \$8 was imposed on Thomas Conboy, and damages ordered paid, on a charge of obstructing the sidewalk in Carmarthen street by driving a heavy sloven across it.

Three teamsters—Charles Haley, James Alexander, and Leo Smith—reported for having no 'bus licenses, were instructed to secure them. Alexander said that the reason for their not getting the licenses was that they were framing a petition to the council to have a change made in the bye-law, which they claim is unfair.

Hans Genterman, charged with absenting himself without leave from the steamer Coleby, was remanded.
