WEST END MEET ON JUNE 3 OPENS ATHLETIC SEASON LOCALLY

TROJAN CLUB TO DEFEND THE KENNEY SHIELD

Progressive Association Considers Plans For the Contests

PRELIMINARY plans for a big athletic meet to be held on the West End grounds on June 3 were made at a meeting of the executive of the West End Progressive Association held last night at the residence of Dr. F. L. Kenney, with Lt.-Col. Norman F. MacLeod, president, in the chair.

Last year, when the first track meet in West Saint John was held under the auspices of the association, it was agreed that it should be held every year on the same date, June 3, and the executive last night re-affirmed that decision previously made.

Last night it was reported to the meeting that the Trojans, the Y. M. C. I. and the Y. M. C. A. were sure to have entries in the meet this year and that a number of other organizations were also expected to put contestants in the field. Individual entries will be encouraged and it was decided to place entry blanks with A. Wright, at the Wright Shoe Store, in King street. The list of events and contests was not fully prepared last night, but it was expected that it would be drawn up soon. Announcements in this regard will be made as soon as possible.

There will be similar contests to those of last year. The Trojans will defend their right to hold the Kenney shield as the club with the highest number of points. Lambert, of West Saint John, was last year's winner of the McLeod shield for the five-mile race, which will be again competed for this year.

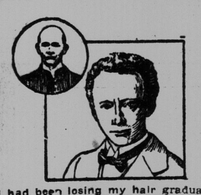
PAOLINO WON

BARCELONA, Spain, May 18—Paolino Uzcudun, Spanish Tiger of the Pyrenees, is the new European heavyweight boxing champion of Europe. He outpointed Erminio Spalla, the Italian titleholder in a twelve round match here tonight.

SANARDO OUT

Eastern followers of the trotting sport who expected to see the fast pacer Sanardo, 1.59½, a pupil of the late "Pop" Geers, in races, will be disappointed to learn that he has been withdrawn from his engagements of the Orange county circuit, which no doubt means also the Bay State circuit. Sanardo was raced extensively in his earlier days by Thomas Murphy for the New York horseman, A. H. Cosden, before he passed to the Geers stable.

Has New Hair



"I had been losing my hair gradually, for a long time. At last I had become almost completely bald, with hardly a hair on my head.

"The small photograph is taken from a football group, and can be verified by any number of people who know just how I looked when bald. The larger photo shows my appearance after using three boxes of Kotalko."

This verified statement is by Jack Evans, well-known athlete. He is but one of the big legion of users of Kotalko who voluntarily attest it has stopped falling hair, eliminated dandruff or aided new, luxuriant hair growth. You may buy the genuine Kotalko at any busy drug store.

FREE Trial Box

To prove the efficacy of Kotalko, for men's and women's hair the producers are giving free proof boxes to those who ask. No duty to pay. Address: KOTAL CO., A-180, Station L, New York

Boy Scouts Form Eleven Team Baseball League

A SAINT JOHN Boy Scout basketball League was formed last evening at a meeting held in the Scout Association rooms when 30 Scouts representing 12 troops attended and there was general enthusiasm in the scheme which was first suggested by F. D. Foley. Mr. Foley presided last night and he was named on a committee with C. G. Hoyt, William Edwards and assistant district commissioner F. Choppin to draw up a schedule of games to draft rules for the league. This committee is to report to a meeting to be held on June 1. From indications last night it is expected that there will be at least 11 teams entered in the league. F. Choppin was present last night and gave some helpful advice. It is hoped to have a handsome penant for the league winner.

The committee appointed got to work at once and among the rules tentatively drafted were those requiring all members of all teams to be bonafide Scouts; all teams to be registered with the committee before June 20; each team to supply its own equipment and the captain of the winning team to file a game certificate with the committee after each game. The schedule of game will be arranged so as not to interfere with any Scout activities and games will not go over seven innings.

PRISONER SAYS HE IS SAINT JOHN MAN

Negro Held in Houlton Jail For Presque Isle Burglaries

A negro, who says that his name is Sam Jones and that his home is in Saint John, will stay in jail at Houlton until the September term of court at least, as raising $3,000 bonds appears hopeless to Sam.

He is charged with making two breaks and cracking safes at Presque Isle. Officers, who traced him to Aroostook Junction, and arrested him, said that they found on his person an automatic revolver, a pinch bar, cold chisel, portable electric light and several dollars in silver.

Sam's story was that he met three other men, who made the breaks, that he watched outside, that they put the tools in his grip and gave him some silver. They said they would meet him at Aroostook Junction and he was there waiting for them.

The name, Sam Jones, is not in the Saint John directory.

SAVED 18 YEARS TO PAY OFF DEBTS

Grumsby Fruiterer, Aged 65, Rescues Himself From Bankruptcy

LONDON, May 19.—After saving and sacrificing for 18 years, Charles William Cribb, a Grimsby fruiterer, who became bankrupt in 1908, has repaid all his creditors in full. Cribb, who is 65, has had a family of 8, and yet, in his own words, he has "managed to save steadily" during all these years with this one object in view.

"After my bankruptcy," he said recently, "I had a breakdown, and for six months was confined indoors. While lying ill I resolved if ever I got well again I'd repay every penny I owed. It has been a long task, but I'm pleased to have succeeded. People told me I was silly to worry about trying to repay, but there is satisfaction in feeling you've done the proper thing."

SHAMROCKS PRACTISE

The Shamrocks will practise on the East End grounds this evening at 6.30 o'clock. A large turnout is requested.

ST. JOHNS TO FAIR VALE

The St. Johns will leave Haymarket Square at 6.45 o'clock this evening to play a practise game at Fair Vale, it was announced this morning.

GOSHEN POPULAR

The popularity of Goshen as a training centre for harness horses is fully proved by the fact that eighteen trainers and their assistants are now busy preparing more than 200 horses for the 1926 racing season. With the possible exception of Lexington, no other city has that number of horses yet, none with as costly a collection. That Eastern trotting horse fanciers own the largest number of juveniles is shown by the sixty-two head of that age seen almost daily over the mile and half-mile tracks, but in full force on Tuesdays and Fridays, when trainers search their candidates for speed. Will Dickerson, trainer of the Arden Homestead Stable, has an adept assistant in his employer, E. Roland Harriman, who is rapidly gaining a reputation as an expert amateur driver, who may be seen in purse and stake races and still be an amateur for not having trained or driven horses for hire or wages.

DUFFERIN WAS SECOND AND NEW ALBERT THIRD

Long Program Run Off Quickly By Officials

FOR the second consecutive year, St. Vincent's High boys scored the highest number of points at the annual school meet, run off on the Y. M. C. A. grounds yesterday afternoon. St. Vincent's takes the trophy offered by the Y's Men's Club, as well as a shield.

The blue pennant and the red pennant denoting leadership in the first and second classes, respectively, donated annually by Imperial Theatre, also goes to Saint Vincent. Dufferin School, North End, wins second place with a score of 18 points and superiority in Class 3 and New Albert of West Saint John, takes third position with 16 points. Dufferin School will fly the white pennant for Class No. 3.

GRAND TOTALS.

	Pts.
St Vincent's School	30
Dufferin School	18
New Albert School	16
King George School	10
Fairville School	8
St. John Baptist School	7
St. Peter's School	7
Alexandra School	5
King Edward School	3
Winter Street School	3
Victoria School	1
Lorne School	0
Aberdeen School	0
Centennial School	0

As in most competitions of the kind with a limited program of events the winnings went to the schools best equipped with outstanding talent in a particular kind of test. St. Vincent made a clean-up on the sprints and runs, having a team of boys of which any organization might well be proud. Barrett, Breen and Littlejohn were an excellent team, showing speed, stamina and considerable trained finish. Barrett is another new hope for Saint John as a city of athletes. It was St. Vincent's school that turned out victor in two classes last year through the remarkable performances of young McGrattan and Kirk, both of whom are now ineligible because of seniority. For the second place (Dufferin) Miller did all the winning. Next year this building will, no doubt, have to dig up another star, as Walter will be in High School. Eddie Butler, for St. Peter's, put up a game struggle and did most of his school's winning. (Watch this kid you bigger fellows, also that midget Crawford of Aberdeen school!) Jack Golding, in class 1, was the only scorer for King Edward, fighting his way to the finals in the dashes. The three classes of relay had to be abandoned by King Edward, one because of Walter Stewart's illness; the other because a runner defaulted. This cut the school's chances down considerably. Other situations of this kind cropped up during the program, hampering some of the schools.

SOME RECORDS BROKEN.

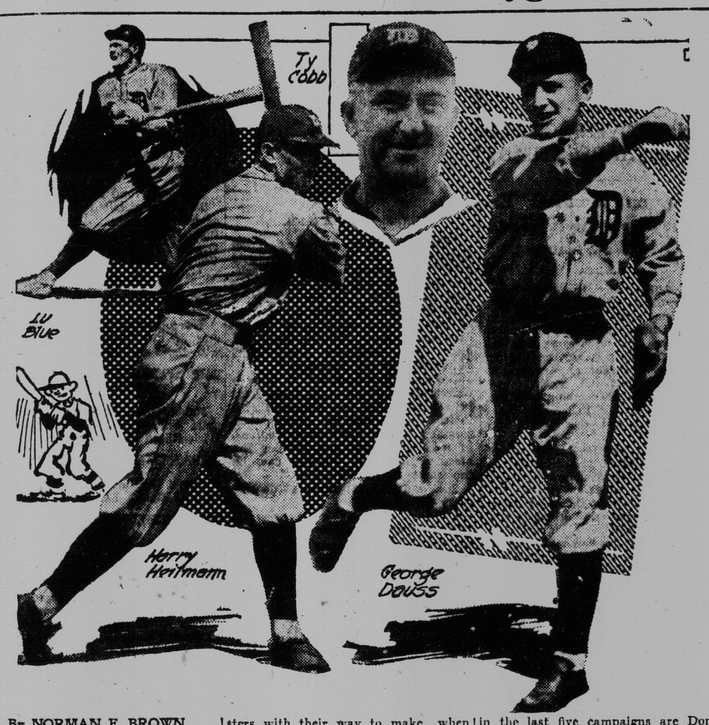
In Class 1, yesterday Hazen Young, New Albert School, broke the school-boy meet record for the broad jump by accomplishing 14 ft. 2½ inches. The record made by Seith, of Aberdeen school, in 1924 was 13 ft. 2½ inches. Ron. Clark, of Alexandra school, broke the class 3 broad jump record of 15 ft. 7 3-4 inches, made by E. Fry, of Winter street school in 1924 by springing 16 ft. 7¼ inches, nearly a whole foot further. D. Breen, of St. Vincent's equalled the class 1 75 yard dash mark of 10 seconds made by P. McGrattan last year. Two relay marks went into the discard too. In 1923 La Tour school hung up a mark of 1.48 in class 2, but with Barrett's fine finishing and the trained handling of the batons by his St. Vincent's team yesterday the Cliff street boys clipped that record down to 1.24 1-5. In the No. 1 class yesterday the St. Vincent's relay team—thanks to Master Breen—reduced the King Edward 1925 mark of 1.56 2-5 to 1.56 flat. No other records were disturbed.

MEET SUCCESSFUL.

Yesterday's meet was highly successful. Only about five boys were unable to enter, some through illness or injury during the preliminaries, others through misunderstandings. There were 128 entrants. The very best of good nature and wholesome rivalry existed. The officials were prompt and painstaking and the long program, which it was thought would consume until 6 o'clock at least, was over before 5 in spite of the rain that came along near the wind-up. Several principals of schools, teachers and a host of parents and the general public watched the sports.

Y. M. C. A. officials, who had the meet in charge, were unfailing in their attentions upon the youthful athletes, and placed their building and its facilities at their disposal.

Cobb and Some of His "Tygers"



By NORMAN E. BROWN

ALTHOUGH he frankly admits that his pitching staff is not a satisfactory one, Ty Cobb has hopes of boosting his Tiger team a notch or two higher in the American League race. Whatever success it may have, the Tigers will be interesting, as usual, partly because of the color Cobb himself lends to the outfit.

And this much can be said. Whatever success the Tigers achieve from now on can be laid at Ty Cobb's door. For the team as it stands now is of Ty's making, since he became pilot in the heat of the 1921 race.

ONLY FIVE OLD MEMBERS

Only five members of the club, outside of the Georgia superman himself, were drawing salary from the Detroit bosses when Hughie Jennings turned the managerial reins over to Cobb in 1921.

These five are the veteran pitcher George Dauss, Catcher Johnny Bassler, Catcher Larry Woodall, First Baseman Lu Blue and Outfielder Harry Heilmann.

And of these five, two were youngsters with their way to make when Jennings stepped out. The two were Lu Blue and Woodall. The latter was a green rookie. Blue lacked the finesse that the campaigns under Cobb's skillful handling have given him.

Dauss, of course, was one of the mainstays of the team under Jennings. For some 14 years this dependable old righthander has been plugging along under varying conditions and pitching ball that has averaged over .500 per cent. for his whole career.

COBB AID TO HEILMANN

Harry Heilmann, while he had won his spurs under Jennings, can give Cobb credit for teaching him much about playing the outfield while the two were tailing under Jennings. The bunk about Heilmann and Cobb never working well together can be discarded.

Johnny Bassler joined the club the year Cobb took over the reins, after starring behind the plate for Los Angeles for some years. He had received a trial by Cleveland previously, on the recommendation of Ivy Olson, veteran infielder.

Among those who have departed in the last five campaigns are Donie Bush, Eddie Oinsmith, Bobby Veach, Bobby Jones, Pep Young, Ira Flagstead and Howard Ehmke.

Sammy Hale, now with the Athletics, was a member of the team for a time at least in 1921. Whether he was with the team before Jennings resigned available records do not divulge.

All the other members of the 1926 team were either bought under Cobb's direction or acquired and trained under his guidance.

TRAINED BY COBB

Hank Manush, Bob Fothergill and Red Wingo now roam the outfield betimes. O'Rourke and young Wallie Gehringer are the second basemen, Tavener holds short. Bill Mullen and Jack Warner are fighting for the third base job.

Clyde Manion is second string catcher, with Woodall doing bull pen duty chiefly.

For pitchers Cobb has Wells, Whitehill, Collins, Stoner, Barfoot, Johns and Holloway, in addition to Dauss.

Truly plenty of strange faces for the fan who perchance hasn't seen the club for a few years.

SOUTH END TO HAVE 5-TEAM BALL LEAGUE

Band At Grand Opening Monday Afternoon Next

ST. PHILLIP'S band has been engaged by the South End League executive and will play at the flag-raising ceremonies in connection with the opening on Monday afternoon next with a game between those old time rivals, St. John the Baptist and Royals. At a meeting last evening, the league was formed and arrangements made for the schedule.

Umpires appointed were: Eddie Ramsay, "Bob" Sproule and "Joe" McDermott.

Five teams intending to enter the league were present, viz., Royals, St. John the Baptist, Martellos, Nationals and Crescents. The meeting elected officers as follows: President, J. C. Chesley; vice-president, Archie McVicar; secretary-treasurer, R. Edgar Adams.

A constitution and by-laws were adopted and formal application will be made for a senior sanction. It was decided that the official opening will take place on the afternoon of May 24 when the old rivals, Royals and St. John the Baptists, will play, and in the evening the Crescents will meet the Martellos. Games will be played on Monday, Tuesday, Thursday and Friday evenings and on Saturday afternoons.

It is hoped that Miss Saint John will open the League by throwing the first ball. The meeting adopted "D and M" ball as the official on the league.

President Chesley kindly donated a cup to the winner of the league this season and a meeting will be held on Friday evening next in St. John Baptists' rooms to complete arrangements.

ANOTHER RECORD

Roland Locke, University of Nebraska sprinter, again bettered Cy Paddock's world record recently by running the distance in 20 and 7-10 seconds in an exhibition race at the Nebraska State College track meet here this afternoon. Locke was paced by Wyatt and Dailey of the Cornhusker track squad. Locke ran the 220 yards in 20 3-10 seconds at the Missouri-Nebraska dual meet here recently, faster by 3-10 of a second than the world's record of 20 8-10 seconds held by Paddock.
