**ORANGEMEN HOLD MASS MEETING**

**Orphanage Funds Discussed—Provincial Organizer Appointed.**

A mass meeting of local Orangemen was held last evening in Orange Hall, Germain street, on the occasion of the official visit of Herman T. Brewer, of Fredericton, Provincial Grand Master. There were large delegations present from the local lodges and R. G. McGeary, County Master, occupied the chair.

The Grand Master addressed the meeting on various matters connected with the activities of the order. He outlined the work which had been accomplished since his last official visit and urged the members to still further efforts. He pointed out the need of further funds for orphanage work and called for the support of all Orangemen in this effort.

Other speakers were heard during the evening among them being: William M. Campbell, district master; Rev. A. L. Tedford; J. Starr Tall, past county master; Robert Willis, grand treasurer; and Lawrence B. McFarlane, worshipful master of Courtenay No. 8, L. O. A.

**Executive Meets.**

During the afternoon the executive of the order met and discussed ways and means of raising extra money for the orphanage. The grand lodge furnishes \$2,000 each year in addition to the other sources of income but at present there is a need of extra money.

It was also decided yesterday to engage the services of a provincial organizer and Rev. David Jones of Carleton county, has been secured for this work. It is expected that he will take up his new duties on the first of next month.

Considerable routine business was disposed of yesterday afternoon at the executive meeting.

**MATTER OF EAST ST. JOHN DEFERRED**

**Rev. H. Miller Speaks of Synod Sessions in New Glasgow.**

Rev. Hugh Miller, moderator of the St. John Presbytery returned yesterday after attending the meeting of the Maritime Synod in New Glasgow. Speaking to a reporter last night he referred especially to the very fine spirit which characterized the sessions. The meeting, he said, had been thoroughly representative and the reports of the departments of the church work had been very encouraging. The synod was to hold its next and last meeting in St. Matthews church, Halifax, next October. He was unable to say how many of the delegates to the synod meeting would join the new synod formed among those opposed to church union at a meeting of the members was held in New Glasgow after he had left.

St. John Matters.

With regard to matters which specially concern this Presbytery Mr. Miller said that the appointment of a minister to the union church in East St. John had been deferred until a special meeting of the St. John Presbytery to be held here on Oct. 21. Rev. John Forbes, formerly missionary to the union church, had accepted charge of the new union church at Minto and Rev. Archibald Sutherland of Chipmank had declined the call which he had received from an Ontario congregation.

The meeting was the golden jubilee of the maritime synod, Mr. Miller said, and the jubilee had been celebrated in a special session. A letter had been received from Rev. K. J. Grant, now residing in Halifax, who is the oldest member of the synod and has served in the ministry for 62 years. The letter was read by his son, Rev. George Grant, who has a congregation in Prince Edward Island. Addresses were given by Rev. Jacob Kayton, Rev. John Murray of Glace Bay and Hon. J. G. Forbes, representing the older members of the Presbytery. The address of the evening was given by Rev. Principal D. A. McKinnon, of Pictou, moderator of the Presbytery in Canada. His address made a very deep impression.

With regard to the general business of the synod meeting, Mr. Miller said that, considering the depression of the times, the financial statement was very favorable. The Halifax Ladies College had a satisfactory report to submit and the Pictou residential school had more applicants last year than it could accommodate. There were reports of the successful opening of the Capline, Gaspe and the new school at St. John's. His address, of Halifax, is the superintendent of the newly opened girls' home and there were reports in residence when it was inaugurated.

The Halifax Theological College year and its work had been satisfactory.

The home mission report, Mr. Miller said, had shown that all of the missions had had students supplying and the whole report was gratifying.

An evening meeting had been given over to foreign mission subjects and the special speakers were Rev. Dr. Goforth from China, who told of the progress made and the great opportunity for extending missions to China. Rev. George Forbes, of Demerara, also spoke.

Those who went from St. John to attend the synod, besides Mr. Miller, were Rev. J. W. Britton, Rev. McN. Matthews, Rev. W. McN. Townsend, Hon. J. G. Forbes and T. H. Sommerville.

**FUND TOPS \$1,100 ON CLOSING DAY**

Further Contributions to Provide Milk for Babies are Received.

The Times-Star fund to provide milk for needy babies has gone over the \$1,100 mark on the closing day, and perhaps there will be a little more that has not yet been sent in. The sums received today were: \$28 from a bridge given by Mrs. J. H. Vaughan and Mrs. B. J. N. Seely for the benefit of this fund; \$410 from St. Paul's Presbyterian Sunday School, Upper Golden Grove. These sums were sent to Miss Leavitt, treasurer of the Women's Council fund, and added to the Times-Star total.

Also there came from Miss M. O. Murray \$25; from the primary class of Germain Street Baptist Church Sunday school, \$28; from Billy Smith, 65 cents, and from the Empress Theatre, West St. John, \$5. These figures bring the total up to \$1,011.50.

**THINKS AUTOS KEEP PARTRIDGE HIDDEN**

**St. John Man, Keen on Hunting, Writes of Scarcity.**

A prominent citizen who also is a devotee of hunting and fishing and is at present on a hunting trip on the North Shore, writes home that moose appear to be quite plentiful this year. On his way north, he says he noticed five very good-sized ones on station platforms waiting to be forwarded to the homes of the hunters. Deer, he was told, were quite shy and it was hard to get within reach of them.

He says he did not meet any hunters with partridge and he is unable to touch for the truth of reports regarding vermin being the cause of the scarcity. "You will find the scarcity," he writes, "is due to the fact that the birds are in the deep woods and not on the public highways. The noise of the automobiles, in my opinion, is one reason for the birds keeping in hiding."

**ST. JOHN GETS AD AT WEMBLEY PARK**

W. C. Bowdler, representative of New Brunswick at the Wembley Park Exhibition, London, informed the secretary of the St. John Board of Trade in a letter received this week, that all the Port of St. John folders that he had to him have been distributed. The folder, he says, was most attractive. He hoped and felt sure it would prove beneficial both to the Province and the City of St. John. It has not yet been decided, he stated, whether the exhibition would be reopened again next year or not. If it were reopened, he thought it would mean many changes in the interior arrangements of the exhibition. He hoped the maritime provinces would then be given a little better show. The closing date of the exhibition, he states, has now been fixed for November 1.

**WILL BE APPEAL IN LIBEL CASE, REPORT SAYS**

That the last has not been heard of the libel case of Hanson vs. the Gleaner was rumored this morning. It is understood counsel for the Gleaner will file an appeal. The jury found for the plaintiff on four of the five counts and for the defendant on one count and the judge ordered a general verdict for the plaintiff, fixing the damages at \$100.

**WRIGHT STREET BUILDING UNSOLD**

One of the oldest buildings in the city was offered for sale this morning at Chubb's corner, but not a bidder was among those who gathered around. The building was the Wright street home of the Protestant Orphanage, which has been vacated and from which the children were removed to the new home on Manawagonish road.

This building was built by the ancestors of I. Allen Jack and is said to be more than 100 years old. It was occupied by the late Sheriff Sturges and was sold by his heirs to T. A. Linton, who later passed it on to his son. It was offered for sale subject to a mortgage of \$10,000, but nobody seemed disposed to buy. A good suggestion was that this would be a good site for the vocational school and the site committee would do well to bid on it.

**WILL NOT COME TO ST. JOHN.**

Miss Jessie Stephen, one of the councillors in the British Labor Party, who sent a telegram early in the week, signifying her willingness to come to the city for October 29 to give an address, will not be able to carry out her plan. Word has come that she will sail for England from Montreal on Oct. 21. It was said by F. S. A. McMullin, vice-president of the Trades and Labor Council last evening that in all probability the whole of the British Labor delegation, now traveling in Canada, may hasten homewards to be on hand for the elections.

**As Hiram Sees It**

"I have missed you," said the Times reporter to Mr. Hiram Hornbeam. "Where have you been lately? Did you go to the World Series?"

"No, sir," said Hiram, "I been dot' a little huntin'!"

"Did you get a moose?" queried the reporter.

"No, sir," said Hiram, "but I seen sixteen."

"They're so thick in the woods out back o' the Settlement that you kin hear 'em thrashin' through the bushes all the time. I couldn't make up my mind what one to shoot—I seen so many."

"You mean," said the reporter, "that you missed every time?"

"Me?" said Hiram. "No, sir—they're so thick I couldn't miss hittin' 'em. Why they'd list come up and look at me an' give a blat an' walk off agin."

"Hiram," said the reporter, "do you expect me to print that yarn?"

"If you don't believe it," said Hiram, "ask Ken MacFae or Rex Beach."

**BOY SCOUTS MEETING.**

East St. John Boy Scouts' Troop No. 6 held their regular meeting last night in their hall with 28 boys present. The council committee also attended as well as Cubmaster Mrs. Robt. Kirkpatrick. Mr. Lister, the Dominion field commissioner and Mr. Johnson, the district secretary, were there and Mr. Lister took charge of the boys for the evening. A lecture on scout law was given and he demonstrated how easy it was to make different rope knots, and went through all kinds of stunts in larfat throwing. At the end of the meeting, Scoutmaster Lawson thanked Mr. Lister for his visit and hoped that he would call again before he returned to Ottawa. A hike that was to be to Ottawa was held postponed until next Saturday week.
