**LINCOLN STATUE
UNVEILED IN
CANNING SQUARE**

Presented to the British People
as a Gift From the United States.

(Canadian Press Despatch.)
London, July 28.—Edith Root, former United States Secretary of State, today formally presented to the British people the Lincoln statue, a gift from the United States, in Canning Square, as a gift from the United States, and later the statue was unveiled.

Premier Lloyd George abandoned pressing business to deliver the speech of acceptance.

The presentation was made in the presence of a distinguished audience in the central hall of Westminster with Viscount Bryce, former British Ambassador to the United States, presiding. The event was widely heralded in the British press as further cementing the Anglo-American friendship.

In his address, Mr. Root said: "It is the identical fundamental conceptions in both countries which make it impossible that in any great world emergency Great Britain and America can be on opposing sides. Those conceptions of justice and liberty are the breath of life for both; while they prevail both nations will endure; if they perish both nations will die. These were Lincoln's inheritance."

In his reply Mr. Lloyd George said that on behalf of the British Empire he accepted with gratitude this statue of a great man. The premier spoke of the pride and affection with which Lincoln was regarded here and added: "May I be permitted to say, that this torn and bleeding race is calling today for the help of the America of Abraham Lincoln's days."

**DEFEATED CUP
CHALLENGER IN
HUDSON RIVER**

(Canadian Press Despatch.)
New York, July 28.—Shamrock IV, the defeated cup challenger left Sandy Hook shortly after noon today for an anchorage in the Hudson River. The crew of Shamrock accompanied the yacht in the house boat Killarney which has been their home during the regatta. The challenger was still flying her little green flag, and passing steamers gave her almost a continuous ovation of whistle salutes as she passed up the harbor.

Sir Thomas Lipton, owner of Shamrock, said today that he had not made up his mind what he would do with the racer and the trial boat, the 28 meter Shamrock. It is understood that he has received offers for both yachts from United States yachtsmen.

The crew of the challenger will be sent home on the first available ship. Mr. Thomas said, adding "those boys have wives and little ones whom they are anxious to see."

Church Issues Bonds.
London, July 28.—The vicar and church wardens of St. Benedict, Tottenham, have devised a novel scheme for raising funds to meet temporary financial difficulties. Debentures are being issued at the value of \$2.50 and upwards, which draw interest at the rate of five per cent, the principal to be paid on one month's notice.

RECENT WEDDINGS

Hughes-Straight.
A wedding of interest to many in the province was solemnized at the residence of the officiating clergyman, Rev. J. H. Jenner, 274 Tower street, West St. John, yesterday morning, when Miss Emeline Beatrice Straight, daughter of William Straight and Charles H. Hughes, both of Cambridge, Queens county, were united in marriage. The bride party had motored to the city from Cambridge. Mrs. J. D. Cole, of West St. John, sister of the bride, accompanied her at the ceremony, which was a quiet one. Mr. and Mrs. Hughes left in the afternoon by automobile for Woodstock and will spend the next week or ten days in a tour of the province. On their return they will make their home in Cambridge. Mr. Hughes for several years was a member of the police force in St. John and later went to Campbellton where he was chief of police for some time. He retired three years ago and took up his residence in Cambridge. Many friends wish Mr. and Mrs. Hughes all happiness in their future life.

The marriage of Miss Helen Bertha Gould, daughter of Mr. Martha Stockton, to James Alfred Gaulton, was solemnized yesterday afternoon at the market square. The ceremony was performed by Rev. J. A. MacKeigan, pastor of St. David's church. The bride, who was becomingly attired in white georgette and carrying a bouquet of Ophelia roses, was given away by her brother, Walter E. Stockton. She was attended by Miss Edith McAloney of Portland, Me., who wore rose silk with an overdress of white net, and carried a bouquet of pink and white sweet peas. The groom was supported by Manfred Brown of Boston. The house was prettily decorated with ferns and wild flowers. Following the wedding a reception was held and a dainty luncheon served. The groom left for a motor trip through the provinces. They received many beautiful gifts of silver, gold, cut glass and linen. Mr. Gaulton received a handsome electric lamp from his associates in the Standard Oil Co. He is a veteran of the world war.
