Treaty Hangs Fire

Paris, June 11.—(By the Associated Press)—Official announcement was made after the meeting of the Council of Four yesterday afternoon that there was hope of a comparatively early decision on the reply to Germany. It was said an agreement in principle was reached on the reparations clauses, to the effect that no definite sum to be paid by Germany will be fixed in the treaty and that the question be left virtually as in the original draft.

In French circles it was said that the treaty, as again submitted to the Germans, will be much less altered than generally supposed.

It was indicated that France was still determined not to agree to any material changes in the treaty.

Paris, June 11.—The reparations portion of the reply to the Germans, which has been completed and has reached the printer, does not fix the total sum which the Germans must pay. The text of the treaty itself is not changed, but the reply contains assurances to Germany regarding the method of the reparation process, explaining that it is a workable arrangement.

In the reference elsewhere in this paper to the recital last evening by the pupils of Miss Edith Magee, the name of Eleanor Romney, who was among those who took part, was accidentally omitted.

JUNIORS' GAME

An interesting game of baseball was played in North End last evening on Victoria square between a team from the city called the Victors and one from North End called the Champions. It ended in favor of the Victors, who by the batteries were: For winners, Moore and Mowry; for losers, Ryan and Sharkey. Score 7 to 4; umpire, Letteney.

NO TALK OF STRIKE

So far as St. John is concerned nothing more than what has been read in the press has been heard of the threatened strike of railway shopmen in Canada. Next Tuesday is the date set by the Railway Shopmen of America, meeting in Montreal, for their walkout unless their demands are granted. While some five thousand would be affected in Canada, local officials of the C. G. R. said today that no trouble was anticipated here.

DIED TODAY

The death of Mary E. Sullivan took place this morning at her home, 63 City road, after an illness which lasted for over a year. She was the daughter of late Robert and Catherine Sullivan. She leaves two brothers, Robert of this city and John of Lynn, Mass., and two sisters, the Misses Annie and Alice at home. A large circle of friends will extend sincere sympathies to the bereaved ones. The funeral will take place on Friday.

LORRY AND FORD COLLIDE

A big military motor lorry, a Ford touring car and a street car combined in a one-act production which came nearly being a tragedy in King street a little after two o'clock this afternoon. The military truck was coming down King street and when near the corner of German street was just passing a street car traveling in the same direction when the Ford with only the driver in the seat shot across in front of the two descending vehicles. It cleared the street car right, but met disaster with the lorry. The government car apparently did not have time to slow up sufficiently and crashed into the lighter vehicle broadside, buckling up the rear mud guard, but doing no other apparent damage. There was a lively discussion as to the responsibility for the accident, but no agreement was reached.

QUARRYMEN QUIT AGAIN

The civic department of public works has another small strike on its hands. This time it is the gang of quarrymen employed in connection with the west side stone crusher. They had gone on strike without notice a fortnight ago but when it was pointed out that this action would clear them from negotiating, they returned to work pending a settlement of their claims. There has been some delay in arriving at a decision and last evening Commissioner Fisher sent a letter to the quarrymen in both West and North ends notifying them of this and saying that the matter would have to stand over until the superintendent of the department returned to the city and advising them that they were free to leave if they were not satisfied. This morning he received word from the foreman that the West End men would not return to work. He is securing men to take their places. If an increase in wages is granted it will be retroactive from May.

German "Efficiency" at Its Best in Execution
of Bolsheviki in Baltic Territory

Paris, June 11.—(By the Associated Press)—Captain Howell Forman, at the Baltic headquarters of the relief administration situated at Libau, has written to the Paris headquarters a graphic description of scenes in the Baltic sections from which the Bolsheviki have been expelled. Describing the conditions he found in Riga, Captain Forman says:—"Among the sights I saw was the shooting of eighteen Bolsheviki, three at a time, by a German firing squad. It was German efficiency at its best. A ditch was dug by Bolsheviki awaiting trial, and the other wretches already condemned came up three at a time, as their names were called. The condemned men stood with their heads at the edge of the ditch and with their eyes unflinching, faced their executioners, nine hard Germans, two of whom fired at each condemned man's head and one at each heart. After the last three men tumbled into the hole that had been dug for them, Bolsheviki awaiting trial threw a few shovelfuls of dirt into the grave and were then led back to prison.

"Our moving picture operator was turning the crank of the camera during all this. He had no appetite for dinner after taking a 'close up' of the open grave."

DOUBLE TAXES FOR SOME IS OUTLOOK

Those Who Ignored Law Requiring Statement
to be Submitted to City Assessors

Some citizens and some corporations are in imminent danger of having to pay double taxes to the city this year as a result of neglect to file statements as required by the new assessment act. Although February 11 was the date fixed by which all statements should have been filed, the fact that this was the first year in which the assessment returns will be filed somewhat later than usual. Last year the assessors completed their work early in June; this year it probably will be the middle of July before the assessment is complete and the tax rolls promulgated.

Meanwhile, the water rates have been made up and the bills are being prepared. It is probable that they will be distributed early in July. The water rates are the same as last year, but the total will be somewhat greater, owing to increases in the value of the city, new buildings and additions to the water service. A discount of five per cent will be allowed this year on water bills paid before September 1.

CREARER TO TAKE THE
FLOOR TODAY IN THE
BUDGET DEBATE IN
COMMONS AT OTTAWA

Ottawa, June 11.—In the House of Commons last night Roch Lacombe of Laurier-Napierville, who was the last speaker, prefaced his remarks upon the budget with a condemnation of insurrection. With regard to the national debt, he expressed the belief that Sir Thomas White's figures were not accurate. He considered that the gross debt would be nearer three billions than the \$1,000,000,000 which Sir Thomas had estimated. Hon. T. A. Crear moved the adjournment of the debate and will be the first speaker today.

CROIX DE GUERRE
FOR CITY OF PARIS

Paris, June 11.—Premier Clemenceau has informed the president of the city council that he has decided to confer the Croix de Guerre with palm on the city of Paris. The bestowal of the decoration will be the occasion of a solemn ceremony.

UFA FALLS TO
RUSSIAN REDS

London, June 11.—Bolshevik forces on Monday captured Ufa, one of the cities recently taken by the troops of Admiral Kolchak, after three days of sanguinary fighting, according to a Russian wireless dispatch received here today.

The message adds that Bolshevik air-planes participated in the fighting against the Siberians for the first time.

Ufa is in the province of Orenburg and about 175 miles east of Samara on the Trans-Siberian railway.

Jack Dunn Suspended

New York, June 11.—President Fultz of the International League today announced the indefinite suspension of Manager Jack Dunn of the Baltimore club, and Outfielder Clark of the same team. The suspension came as a result of an attack upon Umpire Wagner, following a game with the Reading team at Baltimore yesterday.

TOBACCO MEN OF CANADA ORGANIZE

Want Tariff Revised Downward and Reduce
Cost of Smokes

Montreal, June 11.—To prepare for the general tariff revision promised by Sir Thomas White in his budget speech, the Canadian Tobacco Industry was organized last night into the Dominion Cigar and Tobacco Association. The manufacturing, wholesale, jobbing and retail interests of the country were well represented. The new association, it is said, will work for tariff revision which will bring down the present prices of smokes to the smoker, present government imposts, both in custom duties and excise, representing one of the heaviest costs of tobacco to the consumer.

Officers elected include Col. J. Bruce Payne of Granby, Que as president and J. Pickard, Quebec, vice-president of the tobacco division.

"Well," said Mr. Hiram Hornbeam to the Times reporter, "not being a manufacturer, and not having a union card, I can look on at the game. Here's the manufacturers' strike in progress.
