FIRST NEWSPAPER PRINTED ON PAPER MADE IN PROVINCE

Among the exchanges received by the Times today, was the Miramichi News, a small paper of a pronounced green shade, well printed and attractive looking. It is published at Millerton by W. N. Dudgeon, formerly of Newcastle. In an editorial announcement, the News says:—

FIRE IN BUSINESS SECTION THIS MORNING

Outbreak in Jardine Building in Prince William Street Gives Hour Fight. The fire department was given an early morning run today for a fire in the Jardine building, in the heart of the business district in Prince William street. The fire started about 8 o'clock and the firemen were given a hard hour's work before the all out alarm sounded. The building is a three story structure and is occupied by seven firms. On the top floor is situated the printing establishment of C. H. Flewelling, and it was in a room at the rear of this that the fire started, it is said, from some cause. Two or three lines of hose, and the chemical were run up through the building and some of the offices down stairs suffered from the water, which made its way through. A hole was cut in the roof of the building and a good stream of water was played through the opening. There was quite a lot of smoke arising from the fire, but not much flame. On the ground floor of the building are situated the offices of the Union Bank of Canada, A. B. Smalley & Sons and the Board of Trade. On the second floor are those of Mr. Sadler, H. S. Daly and A. Corbett, on the third floor W. McDonald and J. W. Morrison and on the top floor the Flewelling printing establishment. All will suffer more or less on account of the water, but whatever loss there is, will be covered by insurance.

THE BOSTON VISIT ALL ARRANGED

Col. McAvity Home After Completing Plans for 62nd Regiment Trip in June—The Programme in Detail

Col. J. L. McAvity arrived home from Boston this morning after completing all arrangements for the trip which the 62nd Regiment will take to Boston in June next. According to the programme mapped out the regiment, 300 strong, will leave here on the evening of Friday, June 16, and will arrive in Boston about 9 o'clock the next morning. On arrival they will march to the South Army in full marching order. There they will be tendered breakfast by the 8th M. V. M., of which Col. Swetser is commander. After breakfast, the regiment will march to Charlestown, where they will take part in a church parade, accompanied by the 2nd and 9th Regiments. The parade will be to the Tabernacle church, one of the largest places of worship in Boston. A special service will be held and a sermon will be delivered by one of the Boston clergymen. In the afternoon the visiting soldiers will be the guests of Mayor Fitzgerald and the City of Boston. They will be taken down the harbor to Fenelon Park, where dinner will be served and a programme of amusements carried out. The return to Boston will be between 9 and 9 o'clock that evening. On Monday morning the officers will be tendered breakfast by the 1893 Boston Business Men's Association, and at 1 o'clock the regiment will lunch with the Ancient and Honorable Artillery Company of Massachusetts in Faneuil Hall. The regiment will leave Boston between 4 and 5 o'clock in the afternoon and will arrive here early on Tuesday morning. The programme has been so arranged that the men of the regiments will be absent from their work here only two days viz. Saturday and Monday. The regiment is now working diligently preparing for the trip and it is believed that when they visit Boston they will prove as representative a regiment as ever entered the States.

INDIAN MARATHON RUNNER IN CITY

Michael Thomas, P. E. Island Athlete, Speaks of Recent Race in Boston

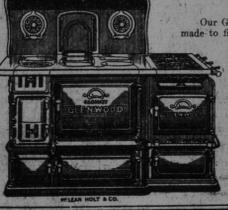

Michael Thomas, the Indian runner from Charlottetown, who competed in the recent Marathon race in Boston, arrived in the city this morning, and left again at noon for his home. He was accompanied by Rev. Fr. McLaughlin, priest in charge of the Indian reserve on P. E. Island. The runner said he was disappointed that he had not won the marathon. The course was one of the best that he ever ran over and he was usually really while in the hub. Asked as to why he did not make a better showing, the Indian replied that it was principally on account of his triage, who was accompanying him on a bicycle. On this mile an accident befell him and Mike was forced to run from the 6th to the 19th mile without any nourishment. He had even a drink of water. This, he said, weakened him considerably, and robbed him of his chances to win. "It was the fastest race I ever entered," he said. "When they started off you would think they were running a hundred yards dash instead of a marathon. Demar, the winner, was running in 19th and 20th places during the greater part of the run and carried himself but little until the end of the race. Demar, Corkery and myself ran together for a few miles, but I started to weaken and the other two forged ahead. Corkery dropped out at Framingham, but I finished in fairly good condition. According to Thomas, a lot of money was dropped on Corkery, who was picked for a winner. Odds were given on the Toronto runner, but he did not make as good a showing as he is capable of. The Charlottetown man received a silver medal for his efforts, but will return next season and will not be satisfied until he lands the first prize.
